# Welcome

Welcome to our 2018 Splitscreen catalogue; it's hard to believe that when we produced our first catalogue in 1994 we only had about 400 parts in our range. Today we stock over 7,500 different product lines (*that's over 420,000 parts in stock*) plus our range of camping and accessories too. Along this line of thought do you know that we do:

## A 10% Discount card

When you insure your car with Just Kampers

## Offer FREE delivery in the UK for orders over £35

No oversizes, no longwinded lists of exceptions, just fast 7 days a week dispatch

## 0% Finance on orders over £399

Helping fellow VW Enthusiasts spread the cost of restoring or maintaining their VW

## Price Match on parts and accessories

Saving you the hassle of searching around for the best deal

## And we can even save you money on insuring your VW

We are so sure we can offer you a better deal on your insurance, that if we can't beat your current cost, we'll give you £50 in JK vouchers.

Since we first launched our website in the mid 1990's (back when www stood for world wide wait) we have expanded it to include thousands of pages of useful information, not just parts for sale. Here are a few examples of sections that might be useful to you:

## Market place

Where you can buy and sell VW's, parts and accessories for FREE

## How to Videos

Lots of really detailed and useful videos, helping you to maintain your VW

## Fitting Guides

Lots of really detailed and useful guides to read / print, helping you to maintain your VW

## Model History

Lots of detail helping you find out more about your Camper / Transporter

## Garage Finder

If the how to videos and tech sheets didn't help, you can use this service FREE to find a local specialist garage

## Owners club listings

Find a local, national or international owners club for your interest group / model

## Shows and events listing

Meet up with fellow VW fans at local, national or international events and shows

Follow us on Facebook, Twitter and many other social media channels.

Best regards

Mark Reynolds MD

## Technical information

### Engine numbers

This is stamped on the crankcase

CODE	CC	BHP	NOTES
20	1131	25	1950-54
20	1192	30	1954-55
2,3,4	1192	30	1955-60
5,6,7,8,9	1192	34	1961-65
0,H,O,L,O	1493	44	1963-67

### Non original engines

These days many Splitscreen vans will have a larger engine than originally fitted, so below is a list of the most likely replacement engines.

### Non-original replacement engines

B	1584	47	Single port
AD	1584	50	Twin port
AS	1584	50	Twin port

### Reconditioned engines

Note: Reconditioned engines are sold on a 'like for like' basis (i.e. a 1200cc engine cannot be replaced by a 1600cc engine)

# A brief model history

Westfalia Camper

The first generation of the Volkswagen Type 2 was available as a van for work or as a people carrier. It had the distinctive 2 front windscreens and the V shape on the front panel. Around the world it became affectionately known as the Bus, Barndoor, Kombi, Bulli, Microbus, Splitscreen, or

Splitty, Samba, 21 Window and 23 Window, to name just a few of its nick names. Initially built until 1956 at Wolfsburg; from 1956, it was built at the completely new Transporter factory in Hanover. Sharing many components with the VW Beetle, the first Transporters

11 Window Kombi

were powered by a 25bhp 1100cc Volkswagen air-cooled engine mounted in the rear. This was

upgraded to the 1200cc 30bhp engine 1953. Up until 1955 they were often called the Barndoor due to the enormous rear engine

Panel Van

lid, they also had a flat roof at the front, while the later versions had the distinctive peak or overhang above the 2 front windscreens.

## Model variants

Single Cab Pickup

During the 17 years of production there were a great many versions produced by VW, there was the basic panel van,

Double Cab Pickup

21 Window Samba

an entry level Kombi or Bus is the 11-window. The Deluxe model featured eight rear side windows and two rear corner windows, making it the 15-window (not available in Europe). Meanwhile, Samba, officially called the sunroof Deluxe, came with eight small skylight windows giving it the name of the 23-window. From 1964 the wider tailgate meant the rear corner windows were discontinued, making the post 1964 models the 13-window and 21-window.

## Identification

1950-1955

1956-1963

1964-1967

1950-1955

1956-1967

## Handy Hint

### What is nearside and offside?

Many parts are described as being nearside or offside, this simply indicates which side of the vehicle the part fits.

For the UK, an easy way to remember is nearside means near the kerb. this applies, regardless of whether the car is left or right hand drive.

Nearside

Offside

## Handy Hint

## 1600cc Single Port (Short) Engine 1967 to 1971

1600cc single port (short) engine with 200mm flywheel

J10471 £1,499.00

## 1600cc Twinport Engine (Short) 1600cc 1971 to 1979

1600cc twinport engine (short) with 200mm flywheel

J10469 £1,499.00

## 1600cc Twinport Engine (Short) 1976 to 1979

1600cc twinport engine (short) with 215mm flywheel

J10470 £1,499.00

## Engine Twinport (Short) 1641cc

1641cc Twinport engine (short) with 200mm flywheel

J16982 £1,600.00

## Reconditioned Engines

**Flywheel Locking Tool all 6v and 12v Engines, 1950 to 1967**  
locks the flywheel in place to allow removal of the gland nut.

J10551 00-5003-0..... £9.75

### Oil Filler Neck Nut Tool

Used for removal and refitting of the oil filler neck.

J11206 00-5761-0..... £8.75

### Crankshaft Oil Seal Installing Tool

Essential for ensuring oil seal goes in straight and true.

J11236 00-5775-0..... £13.00

### Engine or Gearbox Stand

450kg Maximum Capacity

J11238 53092..... £109.75

### 'Hylomar Blue' Gasket Sealant (100g)

A tough waterproof and pressure resistant seal.

J11667..... £8.00

### Carburettor balancer (With 2 adaptors)

Used for balancing twin carburettors for optimum performance

J19476..... £55.25

## Barrel & Pistons

### Barrel and Piston Set of Four (85.5mm) 1500cc 1962 to 1967

Set of four supplied with piston rings and gudgeon pins

J10130 311198069F..... £159.75

### 90.5 mm 1775cc Forged Barrel And Piston Set

For use with a 69mm crank machining required.

J19024 AC198908..... £219.75

### 90.5mm Barrel & Piston Kit (1776cc)

Big bore barrels and pistons. Case machining required.

J62053 198900..... £219.75

### 94 mm 1915cc Forged Barrel And Piston Set

For use with a 69mm crank machining required.

J19025..... £367.75

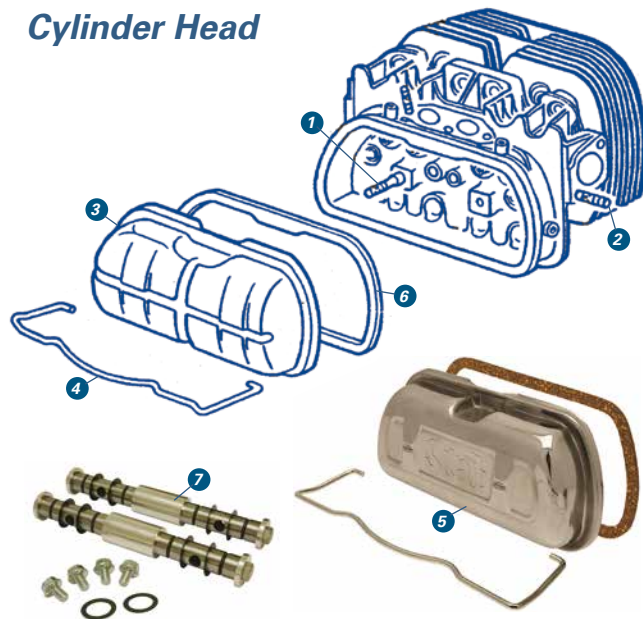

### Piston Ring Compressor Tool (83mm-87mm)

Fits all rings from 83mm-87mm on 1500cc to 1641cc petrol

J11304 00-5764-7..... £6.00

## Cylinder Head

## Cylinder Heads & Parts

### Cylinder Head Single Port 1500c 1964 to 1967

Supplied with lapped-in valves and springs already in place.

J11787 038101063X.....

Call For Availability

### 1 Cylinder Head Stud

M8 / M10. Genuine VW. Sold individually.

J60828 113101399B..... £4.70

### 2 Exhaust Manifold Stud 1200, 1500cc 1960 to 1967

8mm exhaust manifold stud sold singly

J10560 N01444312..... £0.90

### Exhaust Lock Nuts

Copper Locking nuts. 8mm - 1.25 x 12mm O.D

J14857 175129650..... £0.55

### Exhaust Lock Nuts 11mm O.D

Brass Locking nuts. 8mm - 1.25 x 11mm O.D

J14858 N0221464..... £1.20

### 3 Rocker Cover All Engines 1960 to 1967

Fits all upright 1200cc-1500cc aircooled engines

J10460 113101475B..... £5.50

### 4 Rocker Cover Clip All Engines 1960 to 1967

This rocker cover clip fits either side.

J10462 043101487..... £3.05

### Bolt On Aluminium Rocker Covers 1960 to 1967

Supplied with all fittings and gaskets.

J12175 00-9152-0..... £26.75

- 15 Big End (Con Rod) Bearing Set 0.25 Over Size**  
Type 2 & Beetle August 1967 to May 1979 1200-1600cc  
**J21214** **£16.25**
- 15 Big End Bearing Set All Engines 1960 to 1967**  
This standard size, big end bearing set fits all 1200cc-1600cc  
**J10438** 113105701 **£14.25**
- 16 Small End Bush 1300, 1500cc 1965 to 1967**  
Sold singly four required per engine.  
**J11034** 311105431A **£6.50**
- 17 Crankshaft Pulley Bolt**  
OEM crankshaft pulley bolt fits all 1200 to 1500cc engines.  
**J16691** 111105263A GENUINE **£6.25**
- 18 Washer for Crank Pulley Bolt**  
A OEM washer for crank pulley bolt.  
**J16766** 111105259 GENUINE **£4.25**

 **Oil Thrower**  
Crankshaft oil thrower.  
**J60834** 113105241A..... **£3.15**

**Crankshaft oil deflector with gaskets**  
Suitable for all engine sizes from 1961-79.  
**J60827** 113101221B..... **£2.75**

 **Crank Pulley (Standard) 1963 to 1967**  
This standard crank pulley fits all 1200cc-1500cc engines  
**J10549** 113105251G..... **£21.75**

 **Aluminium Crank Pulley 1963 to 1967**  
Features a black-printed scale to aid accurate engine timing.  
**J10580** 00-9114-0..... **£32.25**

 **Serpentine Pulley Kit (Black) 1960 to 1967**  
These kits are designed for high R.P.M engines.  
**J14340** 903003..... **£263.75**

 **Chrome Pulley Nut**  
Chromed pulley nut and washer for dynamo or alternator pulley.  
**J64193** 903861..... **Call For Availability**

 **Camshaft All Engines 1961 to 1967**  
This is the three-bolt style camwheel with timing gear.  
**J10440** 113109021D..... **£84.75**

 **Rocker Thrust Washer. Sold individually**  
Suitable for all models 1961-79. 16 required per engine.  
**J60125** 025109435..... **Call For Availability**

 **Valve Adjustment Sticker (0.15mm/0.006")**  
Authentic period Volkswagen sticker.  
**J15078** ..... **£3.00**

 **Stainless Steel T-Bolt Dynamo/Alternator Strap**  
Fits all engines.  
**J20448** 903402..... **£10.25**

 **Chrome Dynamo / Alternator Strap**  
Chrome dynamo or alternator strap.  
**J64190** 903401..... **Call For Availability**

 **Stainless steel dynamo cover.**  
Stainless steel dynamo cover.  
**J64192** 903851..... **Call For Availability**

 **Stainless Button Head Tinware Screw Kit**  
34 tinware screws & washers. Custom allen key fitting with key.  
**J62040** 198450611..... **Call For Availability**

 **Stainless steel tinware screw & washer set**  
Pack of 25 screws & washers for the engine tinware.  
**J21328** N0107108..... **£4.95**

 **Distributor Drive Puller Tool**  
Allows the easy removal of the shaft from the case.  
**J60043** 0115..... **£48.00**

 **Flywheel 8-dowel pin jig tool**  
Used for drilling crankshafts and flywheels for 8 dowel pins.  
**J60050** 0120..... **£36.50**

 **Crankcase Splitter Tool**  
Fits into the oil pump aperture to help split the crankcase.  
**J60055** 0121..... **£13.50**

 **Crankshaft Pulley Removal Tool**  
Can be used with the engine in place.  
**J60056** 0122..... **£26.25**

 **Crank Gear Puller Tool**  
Aids the removal of the cam gear from the crankshaft.  
**J60068** 0132..... **£74.75**

## Bundle Deal

### Fuel Pressure Regulator Kit

kit allows you to set your fuel flow to the correct pressure.

**J13370**

**Bundle Deal**  
**Call For Availability**

**SAVE 10%**

## Fuel System & Filters

 **Fuel Tank Nipple Kit 1961 to 1967**  
Replace your rusty one before it causes problems. 1961<1967  
**J11226** 113201221A..... **£6.75**

 **Fuel Filter All Models**  
In line fuel filter.  
**J10791** 251201511G..... **£1.70**

 **Fuel Hard Line 1957 to 1967**  
Runs from the front tin round the fan housing to the fuel pump.  
**J14195** 113127521A..... **£6.00**

 **Brass Fuel T Fitting 5/16"**  
This 5/16" Barbed brass fuel tee  
**J19355** 113201157..... **£10.25**

 **Fuel Pump Flange 1960 to 1967**  
Fits all engines from 1960  
**J10393** 113127303..... **£2.75**

 **Fuel Pump Gasket (Lower Base) 1961 to 1967**  
Fits between the fuel pump flange and engine block  
**J10396** 025127311A..... **£0.55**

 **Fuel Pump Upper Base Gasket 1960 to 1967**  
Upper fuel pump gasket fits between the pump and the flange  
**J10565** 113127313..... **£0.80**

 **Fuel Pump Pushrod (Dynamo Models) 1960 to 1967**  
Pushrod length is 108mm - please check before ordering.  
**J10394** 113127307..... **£5.25**

 **Fuel Pump Repair Kit 1960 to 1967**  
Contains the diaphragm and all the gaskets required.  
**J13079** 111198555..... **£33.25**

 **Fuel Pump Block Off**  
Supplied with gasket and fitting kit.  
**J18152** ..... **£17.00**

 **Electric Fuel Pump (12V)**  
Flow rate 114 Ltr/Ph, 0.42 Bar (6.1psi)  
**J13083** ..... **£47.75**

 **Fuel Pressure Regulator (1-4 psi)**  
Supplied with kit J13370  
**J13371** 9102..... **Call For Availability**

 **Mount For Fuel Pressure Regulator**  
Mounting Bracket For Fuel Pressure Regulator (J13371)  
**J13372** 9090..... **Call For Availability**

 **Barbed Fuel Fittings (5/16" (Pair)**  
Supplied with kit J13370  
**J13373** 9097..... **Call For Availability**

 **Fuel Fittings (1/4" (Pair)**  
Supplied with kit J13370  
**J13374** 00-9103-0..... **Call For Availability**

 **Lead Substitute (500ml)**  
Will treat up to 150ltr of unleaded petrol.  
**J11412** ..... **£10.00**

**Product Key:** Many items in this catalogue feature abbreviations or icons after the part number. These offer additional information on the product that you will find useful.

## Deluxe Progressive Weber Kit (Twin Port) 1600cc 1971 on

Any carb kit should always be set upon a rolling road.

**J12147 £541.75**

## Dual Weber 34 ICT Carb Kit (Twin Port) 1600cc 1971 to 1979

Please note, this kit does not come with a cold start system.

**J12146 £565.25**

## Carburetor, Manifolds & Rebuild Kits

**Pancake Air Filter 1200, 1500cc 1955 to 1967**  
Can be used to replace the standard oil bath filter.

**J11071 00-8957-0 £16.75**

**Pancake Airfilter Element**  
Air filter element which fits the Chrome pancake J11071

**J11150 £9.50**

**Air Cleaner (Chrome) 1955 to 1967**  
Scat air cleaner fits VW Solex Carburettor 1-3/4" High

**J14838 £23.75**

**Chrome Air Cleaner for IDF/DRLA Carbs**  
Fits IDF/DRLA Carbs. Height 3 1/4"

**J21320 £27.25**

**Carburetor Air Filter Sleeve**  
Fits 1966 to 1967 models.

**J21123 211129627 £25.00**

**30 PICT 1 Replacement Carburettor 12 volt 1952 to 1967**  
Fits all single port Type 1 engined vehicles.

**J14347 113129027E £14.00** Call For Availability

**Carburettor Rebuild Kit 1955 to 1967**  
Comprehensive rebuild kit suitable for all pict carburettors

**J10531 111198569Z £14.00**

**Needle Valve (1.5mm) 1200 - 1500cc 1950 to 1967**  
These 1.5mm needle valves fit all 34 pict carburettors

**J10384 111129201 £5.00**

**Choke Element 12 volt 1967 only**  
This choke element fits all 34 pict carburettors

**J10383 113129191G £18.75**

**Air Jet 170**  
Air jet for caburetor

**J29026 £6.00**

**Idle Jet 0.45**  
Idle jet for carburetor

**J29027 £6.00**

**Emulsion Tube F6**  
Emulsion tube for carburetor

**J29028 £12.25**

**Air Jet 180**  
Air jet for carburetor

**J29029 £6.00**

**Accelerator Cable Guide Kit**  
Guides the accelerator cable through the engine bay.

**J60529 1111798109 £19.00** Call For Availability

**Accelerator Cable Return Spring Kit 1950 to 1963**  
Includes return spring, sleeve, spring seat and conduit.

**J20671 111129000 £19.00**

**Carburettor Return Spring 1950 to 1967**  
Fits all 1200cc to 1500cc engines fitted with 28-34 pict carbs

**J10346 113129881A £1.45**

**Metal vacuum pipe on carburettor**  
Suitable for all Twin Port 1600cc carburettors.

**J60868 113129493M £1.40** Call For Availability

**Vacuum Hose (3.5mm Diameter)**  
Sold by the half metre, this vacuum hose (3.5mm diameter)

**J10558 N203535 £1.40**

**Carburettor base gasket. Single port**  
Gasket between carburettor base and inlet manifold.

**J60872 113129707 £3.25**

**Inlet Manifold (Single Port) 1500cc 1963 to 1967**  
Manifold between carb and cylinder heads

**J14570 113129701K £56.75**

**Heat riser manifold insulation (both sides)**  
Fits all single hot spot 1200 to 1600cc engines from 1963 on.

**J21066 113119597 £7.25**

**Heat Riser Block Off Plate (Pair) 1960 to 1967**  
For use when fitting twin carbs.

**J15110 £5.25**

**30 Pict 3 Carb Spacer 1955 to 1967**  
Spacer used for carb clearance on alternator conversions.

**J18134 £12.75**

**Pre Heat Hose Clip 1961 to 1967**  
Secures the heat exchanger pre-heat pipe to the air filter.

**J20981 113255737 £6.00**

## Oil System & Lubricants

**Oil Filler Cap 1200 - 1500cc 1955 to 1967**  
Supplied with a cork gasket.

**J10406 111115485 £4.95**

**60mm Oil Filler Cap Gasket 1956 to 1957**  
Please check your required size before ordering.

**J20743 211201557A £3.75**

**80mm Oil Filler Cap Gasket 1956 to 1960**  
Please check the required size before ordering.

**J20744 111201557C £3.45**

**Oil Filler Cap (Aluminium)**  
Aluminium oil cap to fit with our Billet oil tube J12186.

**J12174 00-8899-0 £10.00**

**Polished oil filler tube for 1200-1600cc 1959 onwards**  
Screws directly into the standard alternator/dynamo stand.

**J12166 00-8904-0 £14.75**

**Oil Filler Nut 1959 to 1967**  
Secures the oil filler to the dynamo stand.

**J13820 113115495 £9.25**

**Product Key:** Many items in this catalogue feature abbreviations or icons after the part number. These offer additional information on the product that you will find useful.

Genuine VW part

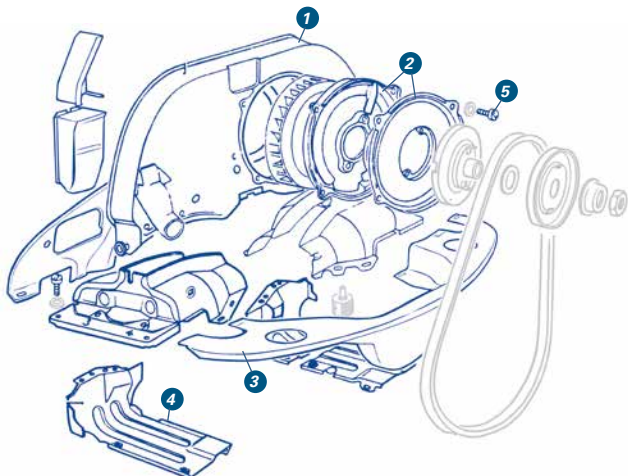

- 5 Oil Filler Neck 1966 to 1967**  
Oil filler neck with drain tube.  
**J10984** 113115451D..... **£20.75**
- 6 Collar for Oil Breather Pipe 1961 TO 1967**  
This seal sits on the oil filter tube on VW upright engines.  
**J10958** 111115491..... **£4.95**
- 7 Rubber Boot for the Oil Breather 1961 to 1967**  
A Original Equipment rubber boot for the oil breather.  
**J10959** 311115541..... **£3.20**
- 8 Alternator or Dynamo Stand 1960 to 1967**  
Can be used for either a dynamo or an alternator.  
**J11095** 113101211G..... **£15.75**
- Oil Filler Breather 1955 to 1967**  
Gauze element breather with chrome top.  
**J16926** 115551..... **£10.75**
- Oil Breather Kit (Cast Aluminium)**  
Reduce Crank case pressure, eliminate blow by and oil loss.  
**J16927** 115552..... **£39.75**
- Rocker Cover Vents**  
Helps decrease crankcase pressure and eliminate blow by  
**J18151** ..... **£8.25**
- 9 Oil Dipstick**  
Fits all engines  
**J14659** 113115611..... **£7.75**
- Dipstick (Aluminium)**  
Replaces standard dipstick  
**J12173** 00-8500-0..... **£15.00**
- Oil Pump 1960 to 1967**  
21mm Gears, 6mm Studs 3 Rivet  
**J14568** 311115107..... **£41.00**
- Oil Fitting 90 degree 3/8 Male x 3/8 Female (Pack of 2)**  
**J29045** ..... **£6.75**
- Oil Fitting 45 degree 1/4 Male x 1/4 Female (Pack of 2)**  
**J29046** ..... **£14.00**
- 10 High Capacity Oil Sump 1960 to 1967**  
Made from aluminium, it carries an extra 1.5litre of oil  
**J10581** AC115230..... **£69.25**
- 11 Oil Sump Plate Kit (Billet) 1960 to 1967**  
Supplied with sump nut and fixings.  
**J14833** ..... **£29.75**
- 12 Sump Drain Plate 1960 to 1967**  
A simple solution to make oil changes less messy.  
**J10664** 043115181..... **£8.00**
- 12 Oil sump plate 30hp 1950-1960**  
For 1950 to 1960 models. Includes centre drain nut.  
**J60408** 111115181B..... **£20.00**
- 13 Oil Strainer Gasket Kit 25/30 bhp engines**  
Fits all pre 1960 25bhp 1131cc and 30bhp 1192cc engines.  
**J21200** 111198031..... **£3.50**
- 13 Oil Strainer Gasket Kit 1961 to 1967 1200 to 1500cc**  
Contains 2 card gaskets, 6 copper washers and one sump washer.  
**J10352** 113198031..... **£1.15**
- 14 Sump Stud for Drainer Plate 1960 to 1967**  
OEM replacement sump stud Size M6 x 23mm sold as singles.  
**J11200** N0145421..... **£1.45**
- 14 Oversize Stud for Drainer Plate 1960 to 1967**  
Used when the engine case thread is damaged.  
**J90042** N0144781..... **£1.00**
- 15 Domed Sump Nut 1950 to 1967**  
A open-ended nut can allow oil to run down the threads.  
**J10588** N0110624..... **£0.65**

- Magnetic Drain Plug 1960 to 1967**  
Fits any engine with a oil drain plate.  
**J11190** 00-8856-0..... **£4.45**
- 16 Oil Drain Plug 1200 - 1500cc 1961 to 1967**  
Fits all engines fitted with an oil drain sump plate  
**J10404** 113115193..... **£4.25**
- 17 Sump Plug Seal 1200, 1500cc 1959 to 1967**  
Used on engines fitted with a sump drain plug.  
**J11047** N0138492..... **£1.25**
- 18 Oil Cooler Seal 1200 - 1500cc 1961 to 1967**  
Standard oil cooler seal which fits all 1200 to 1500cc engines  
**J10411** 021117151A..... **£0.55**
- 19 Oil cooler mount (doghouse cooler)**  
Oil cooler mount for late 'doghouse' oil cooler.  
**J20385** 113117301..... **£50.25**
- VDO Oil Press Sender**  
Goes with the VDO oil pressure gauge J11669  
**J11700** 360081030009..... **£64.00**
- Morris SAE30 Oil (5litre) for all Aircooled Engines**  
This oil is recommended by VW for all air cooled engines.  
**J10650** ML001..... **£22.75**
- Flexi-Neck Oil Jug**  
Marked in 1/4litre increments.  
**J10859** ..... **£8.00**
- Multi Purpose Grease (500g)**  
For wheel bearings, hubs, universal joints & general greasing.  
**J11331** ..... **£6.00**
- Grease Gun**  
Side lever operation with flexi neck.  
**J11390** ..... **£35.00**
- Oil pump puller tool (air cooled engines)**  
Removals the pump from the case without causing damage.  
**J60040** 0112..... **£8.00**
- Oil pressure relief valve puller tool**  
Removes relief valve pistons from the crankcase.  
**J60045** 0117..... **£46.25**

## Oil System

## Cooling System

## Cooling System

**1 Doghouse Fan Shroud without Air Ducts**  
A early style 36 HP style fan shroud with dog house.  
**J16832** 113119025C..... **£83.75**

**1 Fan shroud with heater ducts for single port engines**  
Black early style fan shroud with heater ducts.  
**J21260** ..... **Call For Availability**

**1 Fan Shroud with Air Ducts**  
A early style 36 HP style fan shroud  
**J16833** 113119025C..... **£86.00**

**1 Black doghouse fan shroud with heater ducts.**  
With internal baffles for maximum air flow and cooling.  
**J20384** ..... **£92.25**

**Chrome cooling fan guard**  
Stops debris entering your fan which can cause overheating.  
**J61291** 119221..... **£15.00**

**Pair of 45mm plugs for aftermarket fan shrouds**  
Blocks the outlets when the heat exchangers have been removed.  
**J61289** 119119..... **£5.50**

**Fanshroud Spacers for after-market fanshrouds**  
Fills gap (tinware to shroud) Ideal for long stroke engines.  
**J61297** 1194552 ..... **Call For Availability**

**2 Alternator Backing Plate 1960 on**  
Used for converting your vehicle from dynamo to alternator.  
**J11096** 043119261..... **£14.75**

**Engine Pulley Tin 1955 to 1967**  
This is the piece of tin that fits behind the crank pulley.  
**J18088** 113119533L..... **£10.25**

**3 Rear Engine Tin 1960 to 1967**  
Suitable for all upright aircooled engines  
**J14344** 043119527..... **£26.50**

**3 Chrome rear engine tinware (no heater holes)**  
Chrome with pre-heater pipe cut-outs retained.  
**J61302** 119541B..... **£29.00**

**3 Chrome rear engine tinware (no heater holes)**  
Chrome with no heater holes or pre-heater pipe cut-outs.  
**J61303** 119541C..... **£30.00**

**Pair of black cylinder cooling tins 1300,1500,1600cc**  
Originally for Type 3's these aid cooling on Type 1 engines.  
**J61296** 119403..... **Call For Availability**

**4 Chrome Push Rod Tube Tinware**  
The lower tinware under the pushrods.  
**J61307** 1198949..... **Call For Availability**

**4 3-piece Under-Tin Set 1961 to 1967**  
This lower tin-set aids engine cooling  
**J10072** 043198350..... **£33.75**

**Deflector Plate 1964 to 1967**  
Sold as singles two required per engine.  
**J16731** 311119317A..... **£4.35**

**Air deflector Plate Nearside / Left**  
**J29042** 131119357..... **£11.75**

**Air deflector Plate Offside / Right**  
**J29043** 113119358A..... **£11.75**

**Thermostat Push Rod**  
Thermostat operating push rod.  
**J62094** 211119163A..... **£8.50**

**Thermostat 1960 to 1967**  
This is the new-style thermostat for Type 1 engines,  
**J10170** 111119159A..... **Call For Availability**

**Thermostat 1960 to 1967**  
This is the new-style thermostat for Type 1 engines,  
**J10170A** 111119159A..... **£21.75**

**5 Tinware Screws (M6 Thread) 1950 to 1967**  
Sold in packs of 25.  
**J10663** N0107108..... **£4.50**

## Clutch Components

**Flywheel Gland Nut All Engines 1960 to 1967**  
This gland nut comes complete with spigot bearing.  
**J10426** 111105305E..... **£9.75**

**Clutch Release Bearing**  
Clutch Release Bearing  
**J21187** 111141165..... **£24.00**

**Clutch Bearing Clip 1953-67**  
Spring clip for clutch bearing. Genuine VW. Years 1953-67  
**J60424** 111141177A..... **£1.40**

**Clutch Shaft Fitting Kit 1959 to 1967**  
Comprehensive, 10-piece clutch shaft refurbishment kit.  
**J10350** 113198026..... **£9.75**

**Clutch Cable Conduit All Vehicles 1955 to 1967**  
Replacing your cable? It's worth checking for a worn conduit.  
**J10494** 211721361D..... **£5.25**

### Handy Hint

#### Clutch cable conduit

When you replace a clutch cable, check the condition of the clutch conduit. It often breaks inside, leaving a sharp metal which will eventually cut your new cable.

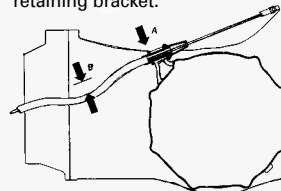

### Handy Hint

#### Adjusting the clutch pedal free-play

Clutch adjustment is carried out by means of the adjusting nut on the cable end. Release the locknut, and turn the adjusting nut to give a pedal free-play of 10-25mm (0.4-1.0 in) which corresponds to the correct clearance of approx. 2 mm (0.08 in) on the clutch release bearing. Tighten the lock nut.

To avoid cable snatch, the clutch cable guide should sag 25-45mm (1.0-1.8 in) as seen in the diagram

below. The sag at point 'B' is achieved by inserting or removing shims at point 'A', between the end of the cable guide, and the retaining bracket.

Fits all engines with a standard exhaust

**J10547** 113255165..... **£5.25**

### Handy Hint

#### The heating on my air cooled VW is rubbish!

The heating system relies on the air arriving at the front warm and in a decent enough volume.

The main problem is that the pipework from front to rear is made from many pieces and over the years the various parts move/ rust away and each joint leaks a bit of warm air. When the piping was new it was insulated to keep the warmth in, often this insulation is now missing and the pipes require re insulating.

The air for the heater is also the air that cools the engine, so every joint and pipe needs checking from fanhousing to dashboard.

The other main problem is that pattern heat exchangers do not have as many fins inside, the fins are the aluminium area inside the heat exchanger that the air is blown over and that transfers the heat from the exhaust pipe to the air.

Genuine heat exchangers are becoming harder to find, so snap them up when you see them. You should also make sure the heater cables are functioning correctly, otherwise the flaps on the heat exchangers will not open and no heat will come down the pipes you have just repaired.

Get the retro feel with this replacement heater control knob.

**J14368** 1137116213A..... **£6.00**

### Handy Hint

#### Remember to carry spare cables with you

It's worth while carrying a spare accelerator and clutch cable with you in the van. Due to the unusual length of the cables, Mr AA or RAC may not carry the right cables and it may not be possible to repair your broken one at the roadside.

**Product Key:** Many items in this catalogue feature abbreviations or icons after the part number. These offer additional information on the product that you will find useful.

A worn coupler can be the cause of sloppy gear changes.  
**J14303** 111711175B..... **£17.50**
- 19 Screw for Shift Rod Coupler**  
Used to secure shift rod couplers and rear gearbox couplings.  
**J19459** 443711189A..... **£4.25**
- Bolt for Gearbox Coupling (M8x14)**  
Replacement bolt for gearbox coupling.  
**J19779** 111711189..... **£1.65**

## Handy Hint

### Type 2 gear linkage

The rear gearbox coupling can be replaced from under the vehicle without removing the gearbox or front to rear shift rod.

When reinstalling your gearstick the lever should be exactly vertical when placed in 2nd gear with the cranked upper section inclined at about 300 to the rear.

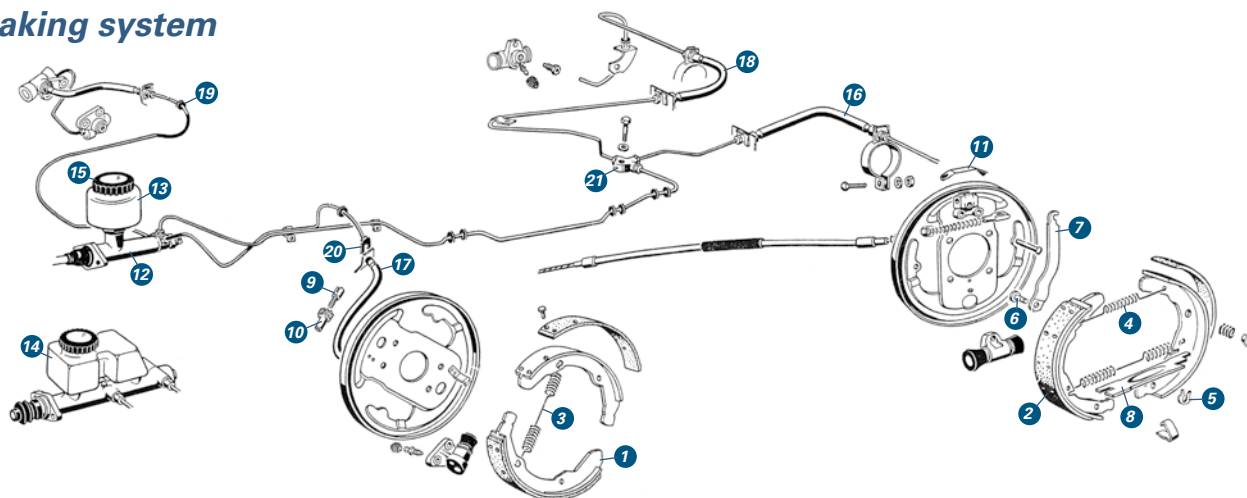

Sideways movement at the gear knob with the gear engaged should not exceed 35mm. In neutral, sideways movement should not exceed 70mm.

Adjustments can be made to the stick position by slackening the two bolts on the shift plate at the base of the gear stick.

## Gearbox Oils & Tools

- Morris Gearbox Oil**  
Lodexol Semi Synthetic 1 Litre  
**J12807** ..... **£8.50**
- Morris EP80/90 5Ltr (API G L5) Gearbox & Diff Oil**  
High performance, extreme pressure transmission oil  
**J21285** ..... **£31.00**
- Gearbox Sump Plug Socket (17mm)**  
This 17mm sump plug socket uses a 3/8in square drive.  
**J11205** 38323..... **£5.25**
- ## Drums, Cylinders & Backing Plates
- Front Wheel Cylinder (Offside / Right) 1955 to 1964**  
Sold as singles two required per vehicle.  
**J19127** 211611070..... **£29.50**
- Front Wheel Cylinder (Nearside/Left) 1955 to 1964**  
Sold as singles two required per vehicle.  
**J19126** 211611069..... **£29.50**
- Front Wheel Cylinder (Nearside / Left) 1964 to 1967**  
Two required per side you may also need new adjusters  
**J10067** 211611069C..... **£12.75**
- Front Wheel Cylinder (Offside / Right) 1964 to 1967**  
Two wheel cylinders required per side  
**J10636** 211611070C..... **£12.75**
- Rear Wheel Cylinder for 1955 to 1967**  
Supplied with bleed nipple and dust cap,  
**J10068** 211611047C..... **£14.75**
- Bleed Nipple (Front) 1964 to 1967**  
Sold as singles.  
**J10855** 1K0615273A..... **£9.75**
- Bleed Nipple Rear 1958 to 1967**  
These 6mm x 28mm nipples fit all rear drum brakes.  
**J10529** 211611477A..... **£0.65**
- Dust Cap for Bleed Nipple**  
Fits front or rear bleed nipples.  
**J10854** 211611483..... **£0.90**
- Brake Back-Plate Bung 1950 to 1967**  
Fits all drum brake backing plates, front or rear  
**J10528** 211609163..... **£1.15**
- Front hub nut (left hand thread) 1950-1963**  
Check you require a nut with left hand thread before ordering.  
**J14312** 211405671..... **£6.75**
- Front hub nut (right hand thread) 1950-1963**  
Check you require a nut with right hand thread before ordering.  
**J14313** 211405672..... **£6.75**
- Grease Cap without Hole (Offside/Right) 1964 to 1967**  
This is for the non speedo drive side.  
**J19502** 211405692A..... **£10.00**
- Grease cap 1964-1967 for speedo cable, nearside**  
Nearside cap with hole for speedo cable.  
**J21073** 211405691A..... **£11.00**
- Rear Hub Nut (46mm) 1964 to 1967**  
Don't forget to replace the split pin (J12288)  
**J10559** 211501221A..... **£5.25**
- Rear Axle Hub Nut (36mm) 1950 to 1963**  
Sold as singles two required per vehicle.  
**J14727** 311501221..... **£5.75**
- Split Pin (For Rear Hub Nut)**  
Rear hub split pin, 5.0 X 63mm.  
**J12288** N0125481..... **£0.55**

- Brake Pedal Return Spring**  
Brake pedal return spring. Fits all 55-67 model vans.  
J62210 211721163A ..... £9.75
- Hand brake lever retaining pin 1953-1967**  
This is the pivot point at the base of your handbrake lever.  
J20727 211711341A ..... £7.00

### Handy Hint

#### Look after your brakes

Replace those leaky or spongy hydraulic brake cylinders before they have a chance to fail. New, reliable cylinders, calipers and associated brake parts are essential to the safety and reliability of your vehicle. Squealing or grinding noises when the brakes are applied are clear signs of excessive wear which can prove dangerous. Regular inspections and cleaning of all brake parts helps extend the life span and stopping ability of your braking system.

#### Handbrake Boot 1955 to 1967

Smarten up the interior of your VW, replace the handbrake boot.

J14349 211863341 ..... £15.75

## Wheel Bearings & Seal

**15 Grub screw (For Torsion Bar)**  
Grub screw for all torsion bar front beams.  
**J13821** 111411151 ..... **£2.95**

**16 Grub Screw Nut**  
Grub screw nut for all torsion bar front beams.  
**J13822** 111411155 ..... **£1.95**

**17 Needle Bearing (Front Axle Beam) 1964 to 1967**  
Sold singly, 4 are required per axle.  
**J16824** 211401301A ..... **£26.25** GENUINE

**Front axle lock plate 1950-55**  
Front axle lock plate 1950-55  
**J21540** 211401281 ..... **£4.50**

## Tools & Grease

**18 Multi Purpose Grease (500g)**  
For wheel bearings, hubs, universal joints & general greasing.  
**J11331** ..... **£6.00**

**19 Grease Gun**  
Side lever operation with flexi neck.  
**J11390** ..... **£35.00**

## Rear Shock Absorbers

**Rear Shock Absorber 1955 to 1967**  
A ZF quality rear shock, sold as singles.  
**J14685** 111513031 ..... **£34.75**

**Shock Absorber 1955 to 1967**  
Fits front or rear.  
**J14729** 113513031G ..... **£23.75**

**KYB Rear Shock Absorber 1955 to 1967**  
KYB gas charged shock help improve road handling and stability  
**J14867** 113513031G ..... **£64.25**

**Shock absorber mounting bolt 1955-1967**  
Rear upper shock absorber mounting bolt. Sold individually.  
**J20800** 111413403A ..... **£6.50**

### Handy Hint

#### Don't forget to grease your front axle tubes

One of the main reasons the front axles rust out is due to lack of regular greasing. This also causes the centre swivel pin to seize and break away the centre mounting. Pump it full of grease until it oozes out around the torsion arms.

**Rear shock absorber mounting bolt 1950-1967**  
Rear lower shock absorber mounting bolt. Sold individually  
**J20803** 111513475A ..... **£6.50**

## Bump Stops

**Front bump stop 1950-1963**  
Fits standard beams on either side. Sold individually  
**J20938** 111401273 ..... **£9.75**

**Front suspension rubber stop 1964-67**  
Front rubber suspension stop for split vans 64-67.  
**J62118** 211401273A ..... **£12.75**

**Rear Bump Stop 1957 to 1967**  
This rear bump stop is an OEM quality part  
**J10578** 211501191 ..... **£9.75**

## Bushes

**Rear Torsion Bar Bush (Fits Inner or Outer) 1950 to 1967**  
Fits inner and outer two required per side.  
**J10597** 211511245A ..... **£3.95**

## Rear Suspension & Wheel Bearings

**Pair of IRS conversion A-arm brackets 1950-1967**  
Laser cut brackets for fitting 1968-79 IRS arms to early vans.

## Front Panels

## Front Panels

- 1 Front Panel 1964 to 1967**  
Can be used on earlier van by filling the indicator holes  
**J14322** 211805035C..... **£249.75**
- 2 Front panel lower repair (350mm high) 1950-67**  
With return lip for A-post & front valance return lip.  
**J21035** 211805031..... **£184.50**
- 3 Front panel lower repair (200mm high) 1950-67**  
With return lip for A-post & front valance return lip.  
**J21036** 211805031..... **£151.00**
- 4 Front Panel Lower Repair VW T2 Split 1950-1967**  
1mm steel includes lower nose detail and A-Post fold around.  
**J20508** 211-805-031/100..... **£54.50**
- 5 Lower front panel repair (50mm high) 1950-1967**  
Includes A-post return & valance bottom return. 1mm steel.  
**J20600** 211-805-031/50..... **£42.50**
- 6 Outer Lower Front Valance VW T2 Split 1950-1967**  
Outer front valance, including bumper bracket holes.  
**J20520** 211703073/Z..... **£27.00**
- 7 Outer Front Valance Repair VW T2 Split 1950-1967**  
Outer front valance, including bumper bracket holes.  
**J20521** 211703073/A..... **£37.25**
- 8 Inner Front Valance LHD VW T2 Split 1950-1967**  
Inner front valance with inner brackets and captive threads.  
**J20522** 211703071/B..... **£93.50**
- 8 Inner Front Valance RHD VW T2 Split 1950-1967**  
Inner front valance with the inner brackets & captive threads.  
**J20523** 214-703-071/A..... **£93.50**
- 9 A-Post Repair Nearside (Left) 1950-1967**  
Laser cut and CNC folded in 1mm steel A-post repair panel  
**J20509** 211-809-201/Z..... **£14.50**
- A Post Repair Offside (Right) 1950-1967**  
Laser cut and CNC folded in 1mm steel A-post repair panel  
**J20510** 211-809-202/Z..... **£14.50**

- 10 A Post Valance Bracket N/S (Left) 1950-1967**  
Bridges A-Post and the end the inner front valance.  
**J20511** 211-809-203..... **£14.25**
- A Post Valance Bracket O/S (Right) 1950-1967**  
Bridges A-Post and the end the inner front valance.  
**J20512** 211-809-204..... **£14.25**
- 11 Front Screen Full Outer Repair VW T2 1955-1967**  
Complete front screen section wipe with wiper spindle detail.  
**J20519** 211-805-039/F..... **£255.75**
- 12 Front Screen Lower Repair VW T2 Split 1955-1967**  
Repair panel with wiper mounts and required return lips.  
**J20518** 211-805-039/H..... **£190.50**
- 13 Front screen lower repair nearside (left) 1950-67**  
Includes windscreen wiper detail and lower corners. 1mm steel  
**J20605** 211-805-039/L..... **£37.25**
- 14 Front screen lower repair offside (right) 1950-67**  
Includes windscreen wiper detail and lower corners. 1mm steel  
**J20606** 211-805-039/R..... **£37.25**
- 15 Front roof repair VW T2 Split 1955-1967**  
Approx 75mm tall for repairing a rusty front peak.  
**J20571** 211-817-202..... **£34.50**
- 16 Inner Peak Repair VW T2 Split 1955-67**  
Air intake repair panel fits all T2 Splits from 1955-67  
**J20574** 211-817-511/Z..... **Call For Availability**

## Front Wheel Arches

- 17 Front Wheel Arch Skin Nearside (Left) T2 1950 to July '62**  
Front wheel arch outer skin to chassis # 971-549 (July '62).  
**J20538** 211-809-311..... **£95.00**
- Front Wheel Arch Skin Offside (Right) 1950 to July 1962**  
This front outer wheel arch skin is the early deep style.  
**J21039** 211809312..... **Call For Availability**
- Front Wheel Arch Offside (Right) VW T2 August 1962-'67**  
Front right wheel arch repair chassis # 971-550 to 217 148 459.  
**J20539** 211809502..... **£95.00**

- 18 Front Wheel Arch Skin Nearside (Left) August 1962 to 1967**  
This front outer wheel arch skin is the late thin lip style.  
**J20140** 211809501..........**£95.00**
- 19 Front Arch Step Skin Nearside (Left) 1950-1967**  
Lower front left wheel arch outer skin repair panel.  
**J20540** 211809525.....**£21.25**
- Front Arch Step Skin Offside (Right) VW T2 Split 1950-1967**  
Lower front right wheel arch outer skin repair.  
**J20541** 211809526.....**£21.25**
- 20 Complete Front Wheel Arch (Nearside/Left) 1962 to 1967**  
Thin lip style with pre welded front bumper support.  
**J19825** 211809501A.....**£126.75**
- Complete Front Wheel Arch (Offside / Right) 1962 to 1967**  
Thin lip style with pre welded front bumper support.  
**J19826** 211809502A.....**£126.75**

- 21 Wheel Arch Bumper Bracket VW T2 Split 1950-1967**  
Outer bumper bracket to weld on the front wheel arch.  
**J20537** 211-707-292.....**£10.50**
- 22 Front Inner Wing Repair Nearside 1950-67**  
Repair section for back of front inner wing. Nearside.  
**J62485** 221801325A.....**Call For Availability**

## Handy Hint

### Rustproofing your VW

#### WAXOYL.....rust proofing system

Kills old rust and prevents new rust. A thick waxy fluid, saturated with a powerful rust killer that stays active indefinitely. WAXOYL can be used on the chassis, inside door panels, under wheel arches, in the engine compartment and underneath

the vehicle. JK no. J11333

#### Hammerite underseal

this is designed not to go hard and crack. It is the ideal finish for the underside of your vehicle after you have finished any welding. JK no. J11332

#### Seam Sealer

This comes in tubes that you can use with a grouting gun. you should seam seal all welding joints that are exposed to moisture.

## Handy Hint

### Removing old body panels

The panels that make up a classic VW are often spot welded together, so to replace them, the neatest way is to unpick the original spot welds.

How to find the spot welds. As long as the panels has not been repaired before and the original spot welds lost, try the following. Rub a 40 grit piece of sand paper along the edge that has the spot welds (for example along the bottom edge of the outer sill). As the paint comes off you will see dimples

with the original paint still showing in them. These are the spot welds. You will not easily remove them with a normal drill bit. So use a spot weld drill bit (Just Beetles Part No. J11399) and going at a slow speed drill through the top layer of metal (the panel you want to remove). Continue this on all the visible spot welds. To break the last bit of each spot weld, carefully split the two panels apart using a thin metal chisel.

Any areas that need cutting (because you cannot get to the original spot welds) use as thin a cutting disc as possible in an angle grinder. If you have access to air tools such as air chisels and air saws, it is important that you practice on some scrap metal, as they can cause a lot of damage quickly if you are not sure how to use them.

#### Think before you cut!

Always think about what you are doing. Offer up the new panel, mark it with a sharp scribe, make sure you are happy with the size and fit. If you cut too much away, you are just making more work for yourself. Panels such as rear corners and rear wheel arches are worth spending extra time offering them up and rechecking before you cut. A badly fitted panel can ruin the look of a restored camper.

**J20482** 265-809-042/B .....  **Call For Availability**

## Handy Hint

### Stop the rust coming back

Once you have finished welding the following simple steps can help keep the rust out.

1) If you have replaced a panel like the rear side panel, you have a long welded edge, but are unable to get to the inside to seam seal it.

So using finely chopped fibre glass fill along the outside edge squeezing as much as possible into the joint. This will help to stop moisture getting in from the back and rusting the panel out. Sand back the fibre glass filler on the outside and fill as normal.

2) Where ever possible use seam sealer to make sure the damp can not get back in. Seam sealer is available in tubes (that you use in a grouting gun) from most car paint shops etc. It is also available in tins, so that you can brush it on.

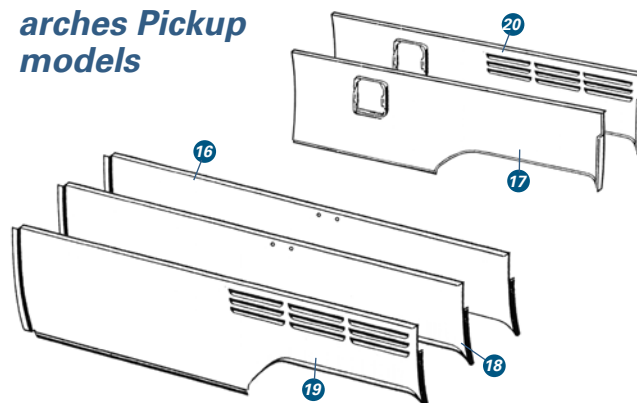

3) Panels come in a protective primer. It is advisable to remove this primer before you fill and paint. On the inside it needs to be either sprayed with a waxoyl (or similar) covering which will stop rust starting and dispels water, or it should be painted in a water tight paint or under sealed.

4) Avoid cheap under seal. It goes hard with time, cracks and allows water to be trapped between the under seal and the metal. Use flexible products such as Waxoyl under seal or Hammerite paints.

5) Make sure you clean mud from under the vehicle regularly (a pressure washer at your

local petrol station, is great for this) touch up any stone chips and scratches as soon as possible. Make sure rubber seals are still supple and do not leak.

## Rear wheel arches Pickup models

- 21 Rear Wheel Arch Closing Panel N/S (Left) 1950-1967**

Fits all small window tailgates  
**J19663** 211829211..... **£23.50**

## Handy Hint

### Always think safety

Wear goggles or a full face mask when grinding, cutting or chiselling.

Always make sure the vehicle is well supported on solid ground before you start work. Always use axle stands if you are underneath the vehicle or removing one or more wheels.

Always wear leather gloves when cutting, chiselling or handling sharp materials.

Think about fire. Make sure there are no flammable liquids like spill fuel around before you start work. Make a mental note of where the fuel lines run and where the fuel tank is. Drain, or better remove the fuel tank and store it well away if you are cutting or welding nearby.

After draining fuel, clean any spills and make sure the area is well ventilated (its the fuel vapour that burns)

Make sure you remove any flammable materials like interior cupboards, seats, carpets or sound insulation and remove any

easily damaged items if you are cutting or welding.

If you are unable to view both sides of the area that you are welding, have a second person with an extinguisher fire watching from the other side.

### Speaking from experience

In the early days when Just Kampers was a VW workshop, I remember welding up a camper for an MOT. I had finished welding one side and had used seam sealer to make it water tight. The lid was left off the tin... and I started work on the other side. A spark went into the tin of seam sealer, and being petrol based it went up like a 'Roman Candle' and set fire to the seam sealer I had just put on. It was a good lesson in keeping a fire extinguisher (that's full) handy and I am now very careful about lids on anything flammable.

Mark Reynolds. MD.

## Seat Belt Positions

## Handy Hint

### Seat belt extender kits

Seat design and the thickness of seat foam varies, so we sell extender kits for lengthening the seatbelts. Just Kampers part no. J11679.

### Seat belt mountings

If your camper started life as a panel van, the van will have no rear seat belt mounts. Just Kampers stocks seat belt mounting plates which can be welded to the vans floor and side panels. Just Kampers part no. J11582.

### Seat foam must be fixed

When covering your rear seat foam, fix the seat cover SECURELY to the seat base, otherwise in an accident your passengers will slide under and probably hang themselves on your new seatbelts.....Be warned!

**Don't be a dummy..  
...Belt up in the back!**

## Door Trims & DIY Trimming Panels

## Noise reduction kits for your Split Window Camper or Panel Van

Just Kampers have teamed-up with Dynamat, the leading automotive noise and heat reduction specialists, to provide a range of products for your VW.

To make things easier and take the guess work out how much Dynamat you need, we've measured the inside of a Split Screen Camper and put together a range of kits that have all the sound deadening you'll require.

The benefits of installing Dynamat from Just Kampers are:

- Less road noise
- Less engine/transmission noise
- Less resonance & rattles
- Improved sound quality from your music system
- Less heat from engine/exhaust

### Camper With Windows

#### Complete Coverage

For maximum results apply our Full Coverage kit. With enough Dynamat to cover all accessible areas of your Camper this really is the best way to make you Bus feel more like a modern car.

- Kit includes;**
- Door and side panels
  - Floors
  - Roof

**J42353 - £599**

#### All bar the roof

If you've already fitted your headliner or you don't want to remove your existing headliner, this is the kit for you. There's enough Dynamat to cover the entire floor and all doors and side panels.

**Kit includes;**

### Q&A

#### Spec.

1641cc, 1300 Beetle Gearbox  
and straight axle, 4 inch  
narrowed beam & dropped  
spindles, adjustable spring  
plates and Type 3 rear brakes.

#### Any Future Plans?

Fit a 3 point seat belt in the  
Splitity for my son so I can use  
it more next year and finish  
off my lowlight Ghia!

#### Years Owned?

13 years.

#### Other VW's Owned?

Lots...My first air-cooled  
was a Notchback when I  
was 18, I've had 3 Notches,  
2 Squarebacks, and a  
Fastback. I currently own 2  
Splitties, a Karmann Ghia,  
a T2 Westy Berlin, a T25  
'Firebus' and my daily driver,  
a little red VW Lupo!

Suitable for any outer Samba roof window, left or right.

**J20577** 241--81-7-1/15 ..... **£64.75**

#### **Roof Frame Strengthening Panel 1950-1967**

Made in the UK this 2.5 meter long roof frame strengthening panel fits under the gutter

**J41143** 211-817-539 ..... **£25.50**

#### **Petrol Flap Spring VW T2 Split 1966-1967**

Good quality reproduction product. Small spring clip, used to keep the petrol filler flap closed.

**J41662** 211-829-639 ..... **£12.25**

## TOOLS & WELDING

#### **Dinitrol Rustproofing Kit**

A comprehensive Dinitrol rustproofing kit consisting of: 1 x RC900 400ml Spray, 2 x 4941 Under body wax 1 litre, 2 x ML Brown cavity wax, 10 x 10 mm cavity plugs, 2 x HS 3125 Cavity wax 1 litre, 1 x Extension straw

**J41398** ..... **£111.50**

#### **Ankor Wax Kit (2.5litre) With Pump**

Quality Morris product. Sold in 5 litre cans supplied with a pump / sprayer.

**J40928** ..... **£74.25**

#### **Mild Steel Sheet 2mm**

Quality Preservation Parts product. Supplied in sheets of 1000mm x 450mm x 2mm.

**J29552** ..... **£20.00**

#### **Dinitrol RC900 400ml Spray**

Dinitrol RC 900 is an Epoxy Primer with a built in rust converter that actively converts rust to a stable organic Iron complex. Free of Lead chromium and Zinc RC 900 penetrates 7 to 10 times deeper than standard rust converters. Overpaintable this product is ideal for prepping the underside of your vehicle before coating in Dinitrol 4941

**J41232** ..... **£26.50**

#### **Dinitrol ML Brown Cavity Wax Rust Proofing 500ml Aerosol**

Supplied in 500ml Aerosol Dinitrol ML is a oil based corrosion and protection product specially designed for applying in cavities such as inner sill sections, front valance, door bottoms etc. Once applied ML forms a soft and wear resistant film that effectively eliminates dampness and helps prevent corrosion.

**J41225** ..... **£10.50**

#### **Dinitrol 4941 Under Body Wax 500ml Aerosol**

Supplied in 500ml Aerosol tins Dinitrol 4941 offers long term resistance against corrosion and abrasion even under extreme conditions. Once applied the solvents disperse leaving a tough black elastic protective film that is heat resistant with the added bonus of offering a degree of sound deadening.

**J41232** ..... **£11.25**

#### **Dinitrol 445 Black Stone Chip 500ml Aerosol**

Dinitrol 445 Black is a black polymer based anti drone effect elastic stone chip. Over paintable this also offers protection against corrosion. After drying, the materials are resistant to carbon hydride-based cold cleaning agents, surfactant-based acid and alkaline high pressure cleaners, salt water and road salt.

**J41238** ..... **£10.50**

#### **Dinitrol 4941 Under Body Wax 1Ltr**

Dinitrol 4941 offers long term resistance against corrosion and abrasion even under extreme conditions. Once applied the solvents disperse leaving a tough black elastic protective film that is heat resistant with the added bonus of offering a degree of sound deadening. To apply you will require a schutz gun and a compressor with 6 Bar / 90 psi pressure and 4 Cubic feet per minute output. Please Note This product is not over paintable

**J41231** ..... **£13.75**

#### **Dinitrol ML Brown Cavity Wax Rust Proofing 1 Litre**

Supplied in 1 Litre tins Dinitrol ML is a oil based corrosion and protection product specially designed for applying in cavities such as inner sill sections, front valance, door bottoms etc. Sprayed using a Schutz gun once applied ML forms a soft and wear resistant film that effectively eliminates dampness and helps prevent corrosion.

**J41224** ..... **£14.75**

#### **Dinitrol 445 Black Stone Chip 1 litre**

Dinitrol 445 Black is a black polymer based anti drone effect elastic stone chip. Over paintable this also offers protection against corrosion. After drying, the materials are resistant to carbon hydride-based cold cleaning agents, surfactant-based acid and alkaline high pressure cleaners, salt water and road salt. To apply you will require a schutz gun and a compressor with 6 Bar / 90 psi pressure and 4 Cubic feet per minute output.

**J41237** ..... **£12.50**

#### **Dinitrol HS 3125 Cavity Wax 1ltr**

Dinitrol HS 3125 is a oil based corrosion and protection product specially designed for applying in cavities such as inner sill sections, front valance, door bottoms etc. With its rust fighting properties this product is ideal for use in older vehicles

**J41367** ..... **£15.50**

#### **Dinitrol ML Brown Cavity Wax Rust Proofing 5 Litre**

Supplied in 5 Litre tins Dinitrol ML is a oil based corrosion and protection product specially designed for applying in cavities such as inner sill sections, front valance, door bottoms etc. Sprayed using a wax cavity gun once applied ML forms a soft and wear resistant film that effectively eliminates dampness and helps prevent corrosion.

**J41448** ..... **£65.00**

#### **Dinitrol 4941 Under Body Wax 5 Litre**

Dinitrol 4941 offers long term resistance against corrosion and abrasion even under extreme conditions. Once applied the solvents disperse leaving a tough black elastic protective film that is heat resistant with the added bonus of offering a degree of sound deadening. Sold in 5 litre tins to apply you will require either a manual pump J40787 or a air fed wax injection gun. Please Note This product is not over paintable

**J41236** ..... **£66.50**

#### **Dinitrol RC800 Rust Treatment 1ltr**

Sold in 1 litre bottles Dinitrol RC800 is a polymer based rust treatment that when applied it converts rust in to a stable organic iron complex. As it dries it forms an impregnable barrier to oxygen and moisture thus sealing out any further corrosion. Free from solvent, acid and lead RC800 can be over painted as long as its pre treated with a primer.

**J41233** ..... **£35.50**

#### **Dinitrol Aerosol Extension Straw**

This 60cm extension straw is for use with Dinitrol Aerosol rust-proofing products. Adding this extension piece allows access to difficult to reach areas.

**J41241** ..... **£2.50**

#### **10mm Cavity Plugs For Rustproofing (Pk of 12)**

Sold in bags of 12 these tapered 10mm plastic plugs are used to blank of new holes required when rustproofing box sections on your vehicle such as inner sills valances etc.

**J41226** ..... **£0.70**

#### **Dinitrol MS40 Rust Protection / Lubricant Spray 400ml Aerosol**

Dinitrol MS40 is a multipurpose lubricant and rust preventative, non greasy water repellant. Silicone free MS40 will not effect most plastics, rubber or lacquers. MS40 protects metal from corrosion, dirt and water whilst penetrating rust to release seized nuts bolts and screws used as a lubricant it stops screeching immediately It dissolves adhesives and easily removes labels and adhesives tapes.

**J41234** ..... **£7.25**

## BRAKING SYSTEMS

### BRAKE MASTER & WHEEL CYLINDERS

#### **CSP Master Cylinder Mounting Kit VW T2 1955-1967**

Custom & Speed Parts special adapter kit, allows you to install a servo assisted master cylinder to any T2 Bus from 1955 to 1967.

**J32010** 611-01-5 2/67 ..... **£145.00**

#### **Master Cylinder Blanking Plug M10x1 VW T2 Split 1950-1967**

M10x1 master cylinder blanking plug. Fits VW T2 Split Screens from 1950 to 1967.

**J40742** 214-611-225 ..... **£1.45**

#### Master Cylinder Boot

This replacement master cylinder boot fits all years

**J41184** 113-611-195..... **£9.25**

## BRAKE PIPES & HOSES

#### Front Brake Hose Split Screen

Fits either side on all Split screen vans. 490mm long

**J14282A** 113-611-701..... **£8.00**

#### Rear Brake Hose 1950 to 1967

Both ends are female fits either side

**J10251A** 211-611-775/B..... **£8.50**

## DRUMS, CYLINDERS & BACKING PLATES

#### CSP Front Disc Brake Kit VW 1964-67- 14in/15in Steel Wheels

5x205 stud pattern.

**J61833** ..... **£968.00**

#### CSP Brake Drums Rear (Pair) VW T2 Split 1955-1963

Quality CSP product. Top quality German-made rear brake drums. Fits VW T2s from 1955- to 1963.

**J31620** 501-61-5 2/11A..... **£260.00**

#### Front Brake Back Plate Nearside (Left) VW T2 Split 1955-1963

A reproduction front brake back plate to fit the Nearside (Left) on VW T2 Split 1955-1963 on

**J41712** ..... **£56.50**

#### Front Brake Back Plate Offside (Right) VW T2 Split 1955-1963

A reproduction front brake back plate to fit the Offside (Right) on VW T2 Split 1955-1963 on

**J41713** ..... **£56.50**

#### Brake Back Plate Front N/S (Left) VW T2 Split 1964-1967

Top quality reproduction to VW specs fits all T2 1964 to '67

**J20505** 211-609-139/B..... **£67.75**

#### Front Brake Back Plate Offside (Right) VW T2 Split 1964-1967

Front brake backing plate. Fits offside (right) on VW T2 Split Screens from 1963 to 1967.

**J41714** ..... **£67.75**

#### Rear Brake Back Plate Nearside (Left) VW T2 Split 1955-1963

Rear brake backing plate. Fits nearside (left) on VW T2 Split Screens from 1955 to 1963.

**J41715** ..... **£85.25**

#### Rear Brake Back Plate Offside (Right) VW T2 Split 1955-1963

Rear brake backing plate. Fits offside (right) on VW T2 Split Screens from 1955 to 1963.

**J41716** 211-609-440/A..... **£85.25**

#### Brake Back Plate Rear N/S (Left) VW T2 Split 1964-1967

Top quality reproduction to VW specs fits all T2 1964 to '67

**J20506** 211-609-439/B..... **£65.75**

#### Brake Back Plate Rear O/S (Right) VW T2 Split 1964-1967

Top quality reproduction to VW specs fits all T2 1964 to '67

**J20507** 211-609-440/B..... **£82.75**

#### 4 Stud Beetle to Wide 5 Drum Spacer Kit

Brake spacer kit. Ideal when converting VW T2 Splits to straight axles. Fits T2 Splits from 1950 to 1967.

**J90060** ..... **£24.50**

## HANDBRAKE & CABLES

#### Handbrake Handle Extender VW T2 Split 1950-1967

Made from polished Stainless Steel. Handbrake handle extender - a handy addition to any Splitscreen Bus.

**J40544** 211-128-760/F..... **£40.00**

## WHEEL BEARINGS & SEAL

#### Inner Front Wheel Bearing VW T2 Split 1955-1963

Good quality reproduction product. Front inner wheel bearing. Fits VW T2 Split Screens from 1955 to 1963.

**J61501** 211-405-627..... **£22.75**

#### Spacer Front Inner Wheel Bearing VW Split 1955-1963

Made to the original specification, this spacer can be used to replace worn or damaged originals that can cause premature bearing wear and seal failure.

**J41889** 211-405-631..... **£18.00**

#### Rear Outer Wheel Bearing

Sold as singles this rear wheel bearing fits the rear stub axle

**J39345** 211-501-283..... **£18.50**

#### Axle Bearing O ring Swing Axle 1950-1967

Sold as singles this is the O ring that sits in the rear axle bearing housing

**J41111** 111-501-139..... **£4.00**

## BUMPERS & FITTING KITS

#### US Spec Offside/Right Rear Bumper Override

Supplied in Primer ready to paint

**J29503** 213-707-356/A..... **£59.00**

#### Set of 4 Headed Bumper Bolts VW T2 Split 1950-1967

Set of four stainless steel-headed bumper bolts, ideal for securing the bumper.

**J40240** 113-707-191/C..... **£13.00**

#### Bumper Bolt VW T2 Split 1950-1967

Bumper bolts for fitting to painted bumpers. Will require prepping and painting to match your bumpers - if left as supplied these will rust.

**J41720** 113-707-191/C..... **£3.50**

**J42045** ..... £14.50

## DYNAMOS ALTERNATORS & V BELTS

#### Cooling fan hub

Fits 25hp-1600cc engines

**J21059** 111-119-123 ..... £17.25

#### Dynamo Brushes 12 volt 1967 Only

Sold in pairs. Fits 12 volt Dynamos on 1967 T2 Splits.

**J10419** 111-903-515/E ..... £4.85

## ENGINE SWITCHES & SENDERS

#### 12 Volt Fuel Gauge

Top quality reproduction fuel gauge with an OE Style face for 6 volt electrics.

**J29333** ..... £60.75

#### 6 Volt Fuel Gauge

Top quality reproduction fuel gauge with an OE Style face for 6 volt electrics.

**J29334** ..... £60.75

## FUSES & BOXES, RELAYS & FUEL SENDERS

#### 12 Volt Fuel Gauge

Top quality reproduction fuel gauge with an OE Style face for 6 volt electrics.

**J29333** ..... £60.75

#### 6 Volt Fuel Gauge

Top quality reproduction fuel gauge with an OE Style face for 6 volt electrics.

**J29334** ..... £60.75

#### 12 Volt Hard Start Relay Kit

Quality EMPI product. 12 volt hard start relay, supplied complete with wiring.

**J36011** 17-291-7-0 ..... £11.00

## HEADLIGHTS & SWITCHES

#### Vintage Style Mesh Headlamp Grilles VW Split 1950-1967

Made from polished stainless steel these are a authentic replica of the Australian after market grille from the late 50s early 60s.

**J40492** ..... £50.00

#### Headlamp Switch VW T2 Split 1955-1967

Quality Wolfsburg West product. Made to the original VW specification.

**J39580** 211-941-511/D ..... £35.00

#### Chrome Headlight Fixing Screw 1950 to 1967

Sold individually. Retains the headlamp rim to the vehicle body. Fits T2 Split Screens 1950-1967.

**J60746** 111-941-195 ..... £4.75

#### Headlight Mounting Kit 1950 to 1967

Quality Wolfsburg West product. All rubber mounts required for assembling a 6 volt sloping style headlight. Includes the correctly moulded adjusting rubbers and the spacer tubes. One kit required per headlight.

**J20967** 111-941-147 ..... £4.50

**Headlight Glass Retainer Clip (Sloping Headlights) 1950 to 1967**  
Secures the chrome ring and headlight reflector to the headlight assembly. Sold individually, seven required per headlight.

**J21700** 111-941-125/B..... **£1.45**

## IGNITION, SPARK PLUGS & HT LEADS

**Pertronix 009 Style Distributor (with Ignitor 2 Built In)**  
009 style distributor with inbuilt Ignitor 2 system. You cannot run solid core wires with this distributor: you must run resisted core wires.

**J29341** D182604..... **£236.25**

**Pertronix Vacuum Advance Style Distributor With Ignitor 3**  
Quality Pertronix product. Offers 5x more spark than a standard system. Fits Splits from 1966 to 1967.

**J41046** D71-826-04..... **£240.75**

**Pertronix 009 Distributor With Ignitor 3 12 volt**  
Quality Pertronix product. Offers 5x more spark than a standard system. Fits Splits from 1966 to 1967.

**J41045** D71-826-04..... **£217.25**

**Pertronix Billet Distributor With Ignitor 3 12 volt**  
Quality Pertronix product. Offers 5x more spark than a standard system. Fits VW Splits from 1966 to 1967.

**J41044** D71-808-10..... **£302.25**

**Pertronix Ignitor II Kit For Vacuum Advance Distributors**  
Electronic ignition unit no points to maintain plus improved engine running and fuel economy.

**J41042** 91847V..... **£136.00**

**Pertronix Ignitor III Kit For Vacuum Advance Distributors 12 Volt 1966-1967**  
Quality Pertronix product. Offers 5x more spark than standard systems. Fits Splits from 1966 to 1967.

**J41040** 71847V..... **£153.75**

**Pertronix 009 Ignitor III Kit For Non Vacuum Advance Distributors 12 Volt 1966 to 1967**  
Quality Pertronix product. Offers 5x more spark than standard systems. Fits Splits from 1966 to 1967.

**J41041** 71847A..... **£153.75**

**Pertronix Flame Thrower 3 Ignition Coil 0.32 Ohms (Black)**  
Quality Pertronix product. Only compatible with Pertronix Ignitor 3. Fits Splits from 1966 to 1967.

**J41043** 44011..... **£50.75**

**PART ONLY EXISTS FOR RE-ORDERING PURPOSES**  
Leads are complete with caps, air seals and free W8AC plugs

**PART ONLY EXISTS FOR RE-ORDERING PURPOSES**  
**J14132** 111-998-031/A..... **£32.50**

**Condenser**

**J15161** 113-905-295..... **£12.00**

**Magnetic Ring for Pertronix 009 Ignitor Kit For Non Vacuum Advance Distributors**  
A replacement magnetic Ring for the following Pertronix ignition kits 1847A and 91847A.

**J41365** ..... **£18.50**

**Magnetic Ring for Pertronix Ignitor Kit For Standard Distributor With Vacuum Advance Mechanism**  
A replacement magnetic Ring for the following Pertronix ignition kits 1847V and 91847V.

**J41366** ..... **£23.00**

## INDICATORS & SWITCHES

**Fisheye Indicator Housing (Offside/Right) for VW T2 1964-1967**  
This is the fisheye indicator housing (offside/right) for VW T2 1964-1967.

**J15132** 211-953-052/E..... **£24.75**

**Semaphore Unit 1953-1960**  
A reproduction 12 volt semaphore sold as singles these fit either side

**J40756** 113-953-021/G..... **£163.75**

**Indicator Switch 1966-1967**  
This indicator switch is the 8 wire type for use as a dip switch as fitted top US spec vans

**J41977** 113-955-975/C ..... £3.20

### **Windscreen Wiper Switch VW T2 Split 1955-1965**

Quality Wolfsburg West product. Replacement dash mounted wiper switch. Fits VW T2 Split Screens from 1955 to 1965.

**J39943** 211-955-511/B ..... £24.25

## ENGINE

## BARREL & PISTON

### **Top End Engine Rebuild Kit VW Beetle 1600cc 1971 on VW T2 Bay 1600cc 1971-1979**

Money saving bundle kit. Includes 85.5mm piston and cylinder set; 2 cylinder heads (unloaded); engine gasket set plus 8 pushrod tubes. Fits VW Beetles from 1971 to 1979, and VW T2 Bays from 1971 to 1979.

Please Note: This kit can also be fitted to earlier 1300cc-1600cc single port engines, but will require a twinport manifold J12750, 34 pict 3 carburetor and twinport tinware J11105.

**J11288** ..... £533.50

### **1641cc Complete Engine Kit VW Beetle 1967 on VW Split 1967 VW T2 Bay 1967-1979**

1641cc top end engine rebuild kit.

Features a set of four 1641cc barrels and pistons complete with rings and gudgeon pins, two 040 twin port pistons heads with 32mm exhaust and 35.5mm inlet valves, and a complete engine gasket set.

Increase power and torque without major internal engine modification.

**J19755** AC198990 ..... £867.00

### **87 mm 1641 cc Forged Barrel And Piston Set All Aircooled**

87mm 1641cc barrels and pistons, supplied with rings and gudgeon pins. Forged barrels endure higher temps and less likely to distort.

**J19022** ..... £495.75

### **Piston Ring Kit 1200 up to 1970**

Piston Ring Kit 1200 up to 1970

**J21625** 111-198-157/A ..... £24.50

## CARBURETOR, MANIFOLDS & REBUILD KITS

### **30 PICT1 Carburettor Manual Choke 1960 to 1967**

Replacement 30 Pict 1 carburettor. Features a manual choke unit. Fits single ports.

**J40122** 113-129-027/BR ..... £236.25

### **CSP Bell Crank Linkage**

Quality CSP product. CNC machined linkage, made from stainless steel. Left and right hand threaded pull rods for easy adjustment. Fits Weber and EMPI HPMX carbs.

**J61475** 129942 ..... £97.00

### **Solex Carburettor Rebuild Kit 28/30 to 34 Pict 3**

This carburetor rebuild kit is suitable for the Solex 28/30 to 34 Pict 3 carburetors.

**J39133** 113-198-575 ..... £25.00

### **Rebuild Kit For 32/36 (DFEV) Weber progressive carburettor**

contains all the necessary gaskets to reassemble your carburettor

**J29375** ..... £32.50

### **Carb Accelerator Pump Setting Plate Split 1950-1967**

Lazer cut from Stainless Steel. Supplied with adjusting bolt washers & nylock nut. Fits all with an alternator.

**J40709** ..... £14.25

### **6 Volt Choke Element VW T2 Split 1955-1966**

Six volt choke element. Designed for 30 pic carburetors as fitted to VW T2 Splits 1955 to 1967.

**J41568** 113-129-191/H ..... £49.75

### **CSP Aluminium Fuel Pump Block Off Plate 1960 to 1967**

Used when replacing the original mechanical fuel pump with an electric fuel pump.

**J31916** 127-30-3 1/00A ..... £26.75

### **CSP Fuel Pump Block Off Plate 1962 to 1967**

The Custom and Speed Parts fuel pump block-off plate is used when an electric fuel pump is used.

**J32073** 127-30-3 1/00 ..... £6.75

### **Fuel Fittings (1/4" (Pair)**

Quality EMPI product. Pair of 6mm 1/4" barbed fuel fittings.

**J13374** 00-910-3-0/ ..... £5.75

### **Barbed Fuel Fittings (5/16" (Pair)**

Quality EMPI product. Pair of 8mm 5/16" barbed fuel fittings.

**J13373** 9097 ..... £5.00

### **Mount For Fuel Pressure Regulator**

Quality EMPI product. Mounting bracket for fuel pressure regulator (J13371).

**J13372** 9090 ..... £5.75

## CLUTCH COMPONENTS

### **Clutch Kit 200mm (Three Parts) Beetle 1970-1979 T2 Bay 1600cc 1970-1976**

Quality Sachs Boge product. 200mm clutch kit. Contains a pressure plate, centre plate and a guided release bearing.

Fits 1600cc petrol engined Beetles from 1970 to 1979, and T2 Bays from 1970 to 1976.

**J10132** 311-198-141/AX ..... £111.75

### **Clutch Centre Plate 180mm VW T2 Split 1950-1967**

Quality EMPI product. 180mm clutch centre plate. Fits T2 Split Screens from 1950 to 1967. Please check your clutch size before ordering.

**J40797** 111-141-031/EK ..... £36.25

### **Clutch Lever Arm VW T2 Split 1964-1967**

Replacement clutch lever arm. Located on the operating shaft on the side of the bellhousing.

**J40799** 131-141-719 ..... £17.75

### **Bronze Clutch Shaft Bush Heavy Duty 16mm 1961-1967**

This Bronze self lubricating heavy duty clutch shaft bearing is made by Weddle Industries in the US.

**J40575** 113-141-707/B ..... £7.00

### **Clutch to Flywheel Bolt**

Genuine Volkswagen product. Clutch retaining bolt. M8 x 18. Fits T2 Split Screens from 1950 to 1967.

**J15332** N01-023-929 ..... £1.40

## COOLING SYSTEM

**Oil Filler VW T2 Bay 1600cc 1968-1979 VW Beetle 1966-1998**  
Fits all VW Beetles from 1966 to 2003, and 1600cc VW T2 Bays from 1967 to 1979 fitted with alternators.  
Please Note: Does not have an oil drain tube.

**J20015** 113-115-451/C..... **£23.75**

## CYLINDER HEADS & PARTS

**Top End Engine Rebuild Kit VW Beetle 1600cc 1971 on VW T2 Bay 1600cc 1971-1979**  
Money saving bundle kit. Includes 85.5mm piston and cylinder set; 2 cylinder heads (unleaded); engine gasket set plus 8 pushrod tubes.  
Fits VW Beetles from 1971 to 1979, and VW T2 Bays from 1971 to 1979.

**Big End (Con Rod) Bearing Set 1.00 Undersize VW T2 Split 1961-1967**  
Complete set of 1.00 undersize Big end bearings

**J39971** 113-105-725..... **£12.50**

## IT'S BEEN A BUSY YEAR AT JUST KAMPERS.

Here's some of the things we were  
doing in 2017.

**WHERE WILL YOU GO IN YOUR  
VW IN 2018?**

## MILLE MIGLIA

Earlier this year, the JK Team took part in the 90<sup>th</sup> Mille Miglia, a gruelling 1,000mile classic car rally around Italy. The vehicle they raced in was Jack the Giant Slayer, JK's 1956 Oval Beetle that really lived up to it's name. JK started out as car 429, but finished in 223 place, well within the top 50%.

The Mille Miglia was also a fantastic opportunity for JK to test out their ever-expanding range of parts and accessories, as they needed to get Jack ready for the event. Many of these new products are now on the shelves at JK.

## BEACH CLEAN

As Surfers Against Sewage 250 Club Members we are keen to support SAS in any way we can. Most recently we've been attending their Beach Clean series.

During the 2017 series 475 beach cleans took place, removing an amazing 55 tonnes of plastic from our beaches.

In October, 18 of the JK team headed down to Bracklesham Bay. Our most disturbing find: a bottle top from 1972. Plastic is a real problem for the environment and we're happy to support SAS in their work to tackle it.

For more info: [www.sas.org.uk](http://www.sas.org.uk)

This summer Mark Reynolds, who set up JK back in 1989, took some time off for his 50<sup>th</sup> birthday to travel around Italy with his wife, Kerry. They took a relaxed route through the countryside, enjoying the weather in Mark's 1967 Beetle Cabriolet, built just two weeks before he was born!

## THE JK WAREHOUSE

We've just added another 3,000 square feet to our existing warehouse space, allowing us to store the hundreds of new products that we'll be adding into our range over the next few months. This brings our total warehouse space to nearly 40,000 square feet!

When we first arrived at JK HQ in 1999 we occupied a tiny space and wondered how we'd ever fill our little corner. Now, the space we originally took on only just fits in our Dispatch Department! We send out over 100,000 orders each year, and our warehouse is now open from 7am to 7pm, seven days a week. We've come a long way since 1999, and continue to grow all the time!

## K JK Conversions

We stock a range of products for campervans, motorhome, caravans, trailer conversions, horse boxes, catering vans and a whole host of other vehicles that will help you to quickly and affordably transform these into your ideal home-away-from-home.

This is a new venture for us, which focusses on combining our 28 years of experience in sourcing and creating top quality products, with a sales and aftercare service that has earned us high praise on both Trust Pilot and Google Reviews.

## EBI SHOW

We sent Gemma from the JK Purchasing Team, and Duncan from the Export Department over to European Bug-In in the summer, for their first ever show across the Channel! They went in Jack the Giant Slayer, and the pair had an amazing time at the show (despite the weather). It's always one of our favourite events!

## ★ NEW PARTS ADDED ★

We've added **over 1,000 new parts & accessories** to our range here at JK, and have had to expand our warehouse yet again to fit them in. This is becoming something of a yearly tradition here at JK HQ as we need more and more space to hold our stock!

COME AND SEE OUR  
**NEW SHOP  
& AWNING DISPLAY**  
OPENS DECEMBER 2017

Unit 1, Stapeley Manor, Long Lane, Odiham, Hampshire. RG29 1JE

## HESSISCH OLDENDORF

After JK made such a place at the Mille Miglia, they were invited to bring the Beetle 'Jack the Giant Slayer' to the famous *Hessisch Oldendorf* show in Germany. The show was a lot of fun, and we're already looking forward to the next one in four year's time.

## PRESERVATION PARTS

Over 470 parts in the range

We've scoured the globe to bring together the very best parts and accessories to create our **exclusive** Preservation Parts range. These are a showcase of the highest quality parts available anywhere in the world.

*To become a Preservation Parts product, it must:*

- Be as good as the original part
- Be manufactured by a reputable company
- Fit an Aircooled VW
- Be great value for money
- Pass our stringent quality control

Location	mm	Remarks
1. From corner of door frame lower part/lock pillar to radius of door stop/large pillar of each door	1010	diagonal dimension, measured to weatherstripping seal.
2. Width of body cutout for cab door	1070	horizontal dimension, measured to door frame lower part to weatherstripping seal.
3. Width of body cutout for cab door	890	horizontal dimension, measured 400 mm above door frame lower part to weatherstripping seal.
4. Width of load compartment door cutout	1200	horizontal dimension, measured to weatherstripping seal.
5. Distance from roof frame to door sill in door cutout in load compartment	1200	measured to weatherstripping seal.
6. From corner of roof frame/lock pillar/cab door to corner of side panel/door sill	1740	diagonal dimension (also for vehicle with sliding door), measured to weatherstripping seal.
7. Width of cutout for rear flap	1210	horizontal dimension, measured to weatherstripping seal of upper hole for the adjustment plate.

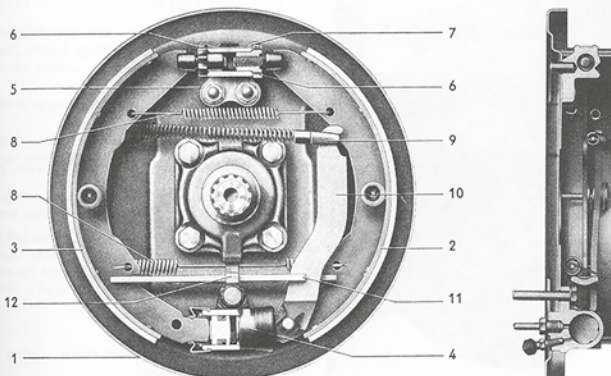

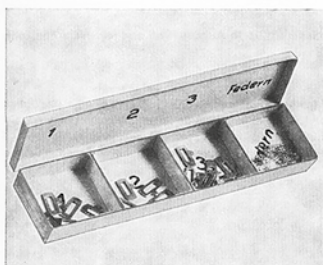

Location	mm	Remarks
8. From corner of roof frame/strut/door panel corner part to corner of cross member/rear panel corner part	1420	diagonal dimension, measured to weatherstripping seal.
9. Width of cutout for engine compartment flap	950	horizontal dimension, measured to weatherstripping seal.
10. From corner of engine compartment lid/cross member corner part to corner of cross panel/rear panel corner part	1070	diagonal dimension, measured to weatherstripping seal.
11. From corner of roof frame/door, left strut to corner of rear, right strut/floor plate	2000	diagonal dimension.
12. From corner of hinge pillar/door frame lower part (also door cutout on left side of vehicle to radius of lock pillar/door flap (also door corner, right vehicle side))	2000	diagonal dimension, measured to weatherstripping seal.
13. Distance of side panels from each other	1210	measured at the spot weld flanges on the outside.
14. Corner of wheel housing/door panel floor plate to corner of cross panel/lock pillar/door plate	2167	diagonal dimension, measured on the welding points.

Lay the tumblers out in the digit sequence given in the code. The tumblers are then installed in this order.

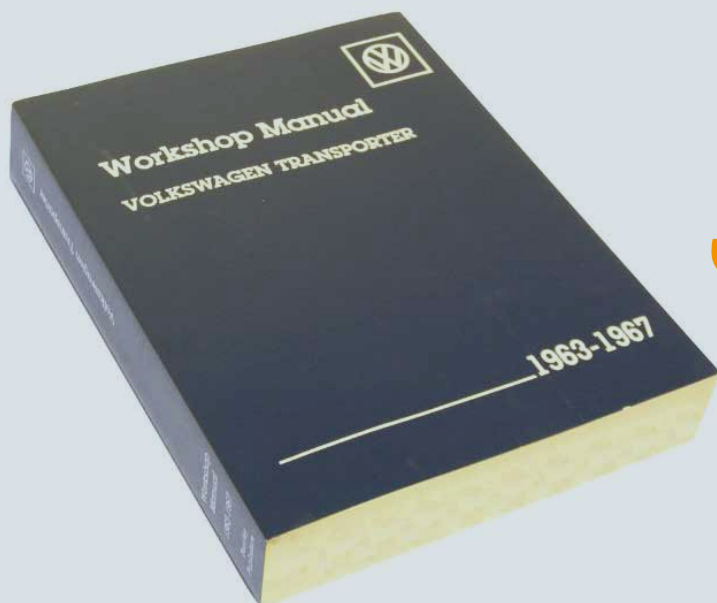

### Important

The tumblers must be inserted into the lock cylinder from the side opposite the retainers. Defective or missing springs should be replaced. SP Sets 191 A and 191 B do not contain number 4 tumblers as these are used only for steering/ignition locks and ignition/starter switches.

# ALWAYS CARRY A SPARE

Don't run the risk of a flat battery when out and about, do this simple modification and camp happily ever after

If you use your Van for family holidays, weekends away or just for days out at the beach, chances are you are going to want to use some form of electrical appliance. A simple solution is to fit a leisure battery and wire it into your Van's charging system using a split-charge relay. Fitting a second battery allows you to power a cool box / fridge or charge a laptop or 'phone whilst driving or parked up, without running the risk of draining your main vehicle battery.

At present, JK offers a couple of

simple, easy-to-install split charging systems suitable for Splits and Bays, along with T4, T5 and T6 models.

**"POWER A FRIDGE OR CHARGE A LAPTOP OR 'PHONE WHILST DRIVING OR PARKED UP"**

To illustrate how straightforward the procedure is, we installed one in an Early Bay. You will require a 13mm spanner, a screwdriver, cordless drill, cutters, wire strippers, crimp tool, three suitable self-tapping screws and cable ties. You will also require a battery clamp and a leisure battery.

As always, before commencing work, remove the earth (marked negative) lead from your main vehicle battery. ⚠

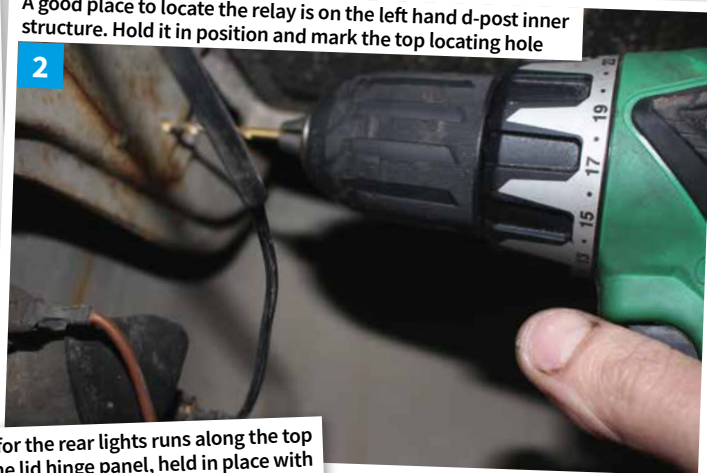

The design of the Bay Window makes it ideal for a leisure battery install as there is a spare tray on the left hand side of the engine bay. From this, lay the wiring loom across the back of the Bus, routing from left to right

1

A good place to locate the relay is on the left hand d-post inner structure. Hold it in position and mark the top locating hole

2

Drill this and mount the relay using a suitable self-tapping screw

3

The wiring loom for the rear lights runs along the top of the inner engine lid hinge panel, held in place with metal tabs. Carefully prise these open and locate the new section of loom within. Alternatively, use cable ties to hold the new loom to the existing wiring

4

Remove the positive lead from the main battery and secure the new power lead under the battery clamp nut

5

There are just two wires on the split charge relay. The brown wire goes to earth (we utilised the existing tail light earth for this) and the red (positive) wire needs to go to a switched live. For this, we routed the cable under the engine bay tar board and piggy backed it to the switched live terminal on the ignition coil

6

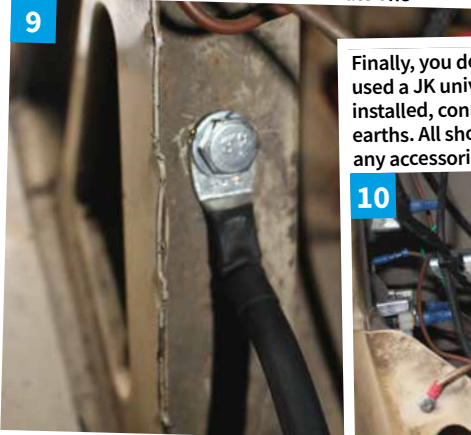

With the leisure battery in place, install the auxiliary fuse box loom under the battery clamp nut

7

Next, install the leisure battery earth lead. This must be bolted to a good earth point. On our Early Bay, we found an existing, factory-drilled hole on the inner d-post support and elected to use that. If no such hole exists, use an 8mm drill bit to create one

9

Then locate the fuse box on the rear inner wheel tub

8

Finally, you don't want your new battery sliding around, so we used a JK universal battery clamp to secure ours in place. Once installed, connect the positive leads on both batteries, then the earths. All should now be up and running, just leaving you to wire any accessories forward from the new fuse box

10

## SPLIT CHARGING YOUR CAMPER

There's nothing more frustrating than turning the ignition key at the end of a relaxing day out, or holiday, only to hear that stomach-churning click that signals a flat battery, followed by at least an hour's wait for your chosen recovery service to arrive. Not to mention the embarrassment.

Fitting a leisure battery and split-charge relay means you'll never have that 'will it / won't it?' moment again and can enjoy your time away in your Camper without worry.

In an attempt to make this essential upgrade as simple as possible, we've put together a range of easy-to-install kits with pre-made wiring looms, relays and fuse boxes connected. All you need to add is your choice of battery and a battery clamp.

### Split and Bay Window Kit

**J41600 £75**

This split-charge kit is designed to charge your leisure battery when the engine is running. The kit comes pre-wired and ready to install, with battery terminals, heavy duty earth strap, 100A relay and a six-way fuse box.

### T4 and T5 power management voltage sensing wiring kit

**J41604 £185**

This comprehensive wiring kit comes with a pre-wired, 140A, voltage-sensing split charge relay and the necessary wiring to mount an additional battery by the offside rear wheelarch, with a compressor fridge behind the driver's seat. Included is wiring to connect a water pump with in-line switched tap, a 12V TV, a light switch next to the nearside door and six individual LED roof lights, as well as the power management board to ensure it all works safely.

### T4 and T5 ignition-triggered kit

**J41603 £85**

This split-charge kit is supplied with a 1.5m, 16mm, 110A power cable and six-way fuse box so you can mount a leisure battery in the space under the driver's seat. The split-charge system is triggered by the ignition, so only allows the leisure battery to be charged when the engine is running.

### T4 and T5 voltage-sensing kit

**J41602 £120**

This split-charge kit comes complete with a 1.5m, 16mm, 110A power cable and six-way fuse box, and is designed to mount a leisure battery under the driver's seat. The voltage-sensing, solid-state relay only allows current to flow between both batteries when one is charging above 13.7V, and will automatically disconnect both batteries when the voltage drops below 12.8V.

### 85Ah leisure battery

**J16858 £89.50**

255mm (l) x 175mm (w) x 210mm (h), weight 18kg

We have chosen this battery as it fits in most common VW applications, though please note it will not fit under the passenger seat of a Type 25.

85 Amp hours means this battery can deliver one amp per hour for a total of 85 hours before being fully discharged.

Comes with a one year manufacturer's warranty.

### 110Ah leisure battery

**J16859 £115.25**

337mm (l) x 173mm (w) x 225mm (h), weight: 27kg

For those that need a bit more juice on tap, this larger battery offers 110 amp hours operation but requires a little more thought as to where to site it as it will not fit under the passenger seat of a Type 25 or in the engine bay of a Split / Bay Window. Again, comes with a one year manufacturer's warranty.

### Universal battery clamp

**J41572 £7.10**

Important to use when fitting a leisure battery to stop it sliding around and causing damage or an electrical failure.

**WE ALSO SELL ALL COMPONENTS TO BUILD YOUR OWN BESPOKE SPLIT-CHARGE SET UP. PLEASE SEE THE WEBSITE FOR THE FULL RANGE**

★**CAMPING TICKETS**★  
**ON SALE IN DECEMBER**

#### Distributor Drive Lockring

This distributor drive lock ring retains the distributor drive on to the crank shaft.

**J39966** 111-10-5-2/27 ..... **£4.25**

#### Flywheel (200mm) Beetle 1967-1998 T2 Bay 1600cc 1967-1979

New 200mm (clutch-size) flywheel. Drilled for four dowels, supplied with the ring gear fitted.

Fits 1500cc to 1600cc Beetles from 1967 to 1998, and 1600cc T2 Bays from 1967 to 1976.

**J10480** 311-105-273/A ..... **£76.75**

#### Crankshaft Woodruff Key Large Aircooled Engines 1200cc-1600cc

Genuine VW product. Large crankshaft woodruff key. Locates the timing gear.

**J39965** 111-105-213 ..... **£4.45**

#### Crankshaft Pulley Woodruff Key 1961-1967

This crank shaft pulley woodruff key fits 1200 to 1600cc aircooled engines built from 1961 onwards.

**J39967** 113-10-5-2/49 ..... **£5.00**

#### CSP Orange Rocker Covers 1961 to 1967

Enlarged to provide maximum clearance for engines with race rocker arm-valve spring combinations.

**J31974** 101 475 113CO ..... **£131.00**

#### Cam Follower 1200-1500cc 1961 to 1967

Sold as singles 8 required per engine.

**J15269** 113-109-309/C ..... **£7.75**

#### Case Saver 8mm ID-14mm VW T2 Split Screen

Quality Empi product. Case Stud Adapter. 8mm I.D. X 14mm O.D., Set of 8 repair stripped and worn head stud threads.

**J33922** 00-401-2-0 ..... **£9.00**

#### Camshaft End Cap (1965 onwards)

Fits all 1300cc to 1600cc aircooled engines.

For use with engine cases with a groove cut in.

**J16764** 113-101-157/C ..... **£2.75**

## OIL SYSTEM & LUBRICANTS

#### Morris Golden Film 20W/50 Classic Motor Oil 5 Litre

Golden Film SAE 20W-50 Classic Oil is a low dispersant oil and allows the suspended matter to drop harmlessly into the sump.

**J39278** ..... **£25.00**

#### Morris Golden Film Flushing Oil

Removes all traces of old oil, oil sludge and contaminating particles from your engine

**J42144** ..... **£30.00**

#### CSP Engine Oil Sump Cover 1960 to 1967

This allows the use of an oil temperature sensor even with a very low car.

**J32039** 115 181 113CSP ..... **£33.25**

#### Oil Strainer 1961 to 1967

These gauze oil strainers fit the single relief crankcase

**J31190** 311-115-175/A ..... **£4.70**

#### Oil Filler VW T2 Bay 1600cc 1968-1979 VW Beetle 1966-1998

Fits all VW Beetles from 1966 to 2003, and 1600cc VW T2 Bays from 1967 to 1979 fitted with alternators.

Please Note: Does not have an oil drain tube.

**J20015** 113-115-451/C ..... **£23.75**

#### Polished oil filler tube for 1200-1600cc 1959 onwards

Screws directly into the standard alternator/dynamo stand.

**J12166A** 00-890-4-0/ ..... **£9.50**

#### Oil Filler to Generator Stand Gasket 1961-1967

This gasket is used between the oil filler and the Dynamo or Alternator stand

**J37408** 98-117-3-B ..... **£1.50**

#### Oil Pressure Switch (Black 0.15-0.45 Bar) T2 Split 1961-1967

Good quality reproduction product. Oil pressure switch. Works between 0.15 and 0.45 Bar.

**J41950** 021-919-081/B ..... **£23.50**

#### Oil Pressure Relief Spring T2 Split Screen 1950-1967

Sold individually. Long, 15.3 x 82mm oil pressure relief spring as fitted to Dual Relief cases.

**J40052** 111-115-421/A ..... **£2.65**

#### Oil Relief Valve Washer 1200cc, 1300cc, 1500cc, 1600cc Aircooled Engines

Sealing washer, as used on the oil pressure relief screw. Fits 1200cc, 1300cc, 1500cc and 1600cc Aircooled engines.

**J40050** N01-381-74 ..... **£1.20**

#### Oil Pump 1960 to 1967

21mm Gears, 6mm Studs 3 Rivet

**J14568** 311-115-107 ..... **£41.00**

#### Competition 24 Plate Oil Cooler All VW Upright Engines

This 24 plate competition oil cooler is designed to replace your existing oil cooler.

This kit is sold with the adapter plate that bolts in place of the standard cooler, a remote filter housing pipe and fittings.

This oil cooler will fit all upright aircooled VW engines.

**J21715** ..... **£94.00**

#### Oil Filter T4 1800cc, 2000cc Petrol 1991-2003 Also fits Aircooled VWs With Full Flow Oil Cooling

Quality Febi product. Fits 1800cc and 2000cc petrol-injection carb model T4s from 1991 to 2003.

Also used for aircooled VW, full flow oil systems.

**J10407** 056-115-561/G ..... **£6.00**

## TOOLS

#### CSP Flywheel Seal Installer

Quality CSP product. Specialist tool designed for fitting the fly-wheel seal.

**J32224** 012-18-2 1/05 ..... **£15.75**

## EXHAUST

## 1200, 1300, 1500 & 1600cc EXHAUSTS & HEAT EXCHANGERS

#### Heat Exchanger and Exhaust Kit 1500cc 1963-1967

2 heat exchangers, silencer, tailpipe, gaskets and fittings.

**J11607** ..... **£262.25**

#### Exhaust Kit 1500cc 1963 to 1967

Contains Silencer, 1 piece tail pipe and all gaskets.

**J11219** 211-298-051 ..... **£138.75**

#### Ceramic Coated 4 into 1 Header 1500cc 1961 to 1967

Quality EMPI product. Supplied with high quality gaskets, stainless bolts and copper nuts.

**J14855** ..... **£238.00**

#### CSP 38mm Header With Pre-heater Flanges 1500cc 1962 on

Made out 1.4512 stainless steel and equipped with 8mm steel flanges and pre heat flanges.

**J31650** 251 001 138SV ..... **£331.50**

#### EMPI Single Quiet Pack Exhaust Kit 1500cc 1963 to 1967

Quality EMPI product. Single quiet pack exhaust kit. Supplied in transit paint.

**J14142** 00-365-5-0/ ..... **£144.25**

#### EMPI Glass Pack Exhaust 1300-1600cc

Complete unit with header, muffler, fixings and a length of silver air hose to connect to heat exchangers.

**J33765** 00-364-1-0 ..... **£126.25**

#### Empi Econopak Exhaust Kit 1950 to 1967

Quality EMPI product. Econopak exhaust. Black finish. Great for lowered cars.

**J64560** 3300 ..... **£100.75**

#### 4 into 1 header fits all 1300 to 1600cc

Small flange 4-1 header fits all 1300 to 1600cc aircooled engines. Suitable for EMPI small flange muffler

**J21719** 3682 ..... **£82.50**

**CSP Big Bore Heat Exchanger Nearside (Left) 1963 to 1967**  
The CSP heat exchangers have standard appearance, but are manufactured around large 38mm bore exhaust tubes.  
**J31775** 255-10-0 0/38L..... **£241.25**

**CSP Big Bore Heat Exchanger Offside (Left) 1963 to 1967**  
The CSP heat exchangers have standard appearance, but are manufactured around large 38mm bore exhaust tubes.  
**J31776** 255-10-0 0/38R..... **£241.25**

**Heat Exchanger Repair Section**  
If the end of your heat exchanger has rusted this repair section is a cheap fix rather than replacing the complete unit.  
**J34925** 00-991-4-B..... **£3.50**

**EMPI Swivel Flange Stinger Ceramic Coated**  
Swivel flange rotates to any desired position to allow it to be fitted to most manufactures 3 bolt headers  
**J36892** 55-369-6-0..... **£73.75**

**EMPI Swivel-Flange Stinger**  
Swivel flange rotates to any desired position to allow it to be fitted to most manufactures 3 bolt headers  
**J33787** 00-369-6-0..... **£30.00**

**EMPI Stinger Baffle**  
Fiberglass wrapped baffle. 13 1/2" Long. This is a EMPI Baffle, and will only fit EMPI Stingers.  
**J33822** 00-378-0-1..... **£15.75**

**HJS Exhaust Fitting Kit VW Beetle 1955-1960 VW T2 Split 1955-1960**  
Quality HJS product. Complete exhaust fitting kit. Ideal for fitting the rear box.  
**J41730** 111-298-003..... **£20.75**

**Exhaust Fitting Kit VW T2 Split 1960-1962**  
Quality HJS product. Exhaust fitting kit. Ideal for fitting the rear box to VW T2 Splits from 1960 to 1962.  
**J41719** 111-298-007..... **£32.25**

**Slip In Exhaust Gasket 1 1/2" Internal Diameter**  
Quality EMPI product. Four 1 1/2" internal diameter copper exhaust gaskets. Features cutouts.  
**J40827** ..... **£14.00**

**Slip In Exhaust Gasket 1 5/8" Inner Diameter**  
Quality EMPI product. Set of four 1 5/8" internal diameter copper exhaust gaskets. Features cutouts.  
**J40828** 00-338-9-0..... **£14.00**

## EXHAUST

**30hp Type 2 Silencer 1943-1954**  
Exhaust silencer for all early pre '549models. This is the single tail pipe version with the correct rounded silencer  
**J21726** 211-251-051/B..... **£175.75**

**HJS Exhaust Fitting Kit VW Beetle 1955-1960 VW T2 Split 1955-1960**  
Quality HJS product. Complete exhaust fitting kit. Ideal for fitting the rear box.  
**J41730** 111-298-003..... **£20.75**

**Exhaust Fitting Kit VW T2 Split 1960-1962**  
Quality HJS product. Exhaust fitting kit. Ideal for fitting the rear box to VW T2 Splits from 1960 to 1962.  
**J41719** 111-298-007..... **£32.25**

**Shark Tail Exhaust Trim (Each) VW T2 Split**  
Polished cast aluminium Robri style exhaust trims. Fits over most exhaust tailpipes up to 38mm.  
**J40577** ..... **£33.25**

## HEATER TUBES & DUCTING

**Steel Heater Tube 1955 to 1967**  
127cm x 7cm. Located front to rear, between the Y-piece and the front cross member.  
**J14137** 211-255-785/A..... **£45.00**

**CSP Stainless steel heating pipe**  
A heavy duty Stainless steel heat pipe to replace the standard paper tube.  
**J33445** ..... **£37.00**

## PROPEX AUXILIARY HEATING SYSTEMS

**Propex Heatsource Kit**  
Money-saving bundle kit from JK. Kit contains all the components you need to fit the Propex HS2000.  
**J19842** ..... **£495.00**

## FRONT SUSPENSION, STEERING & BEARINGS

### FRONT SHOCK ABSORBERS

**Front Shock Absorber 1955-1967**  
Quality Sacha Boge product. Fits nearside or offside on Splits with king & linkpin front axles.  
**J14684** 111-413-031..... **£34.75**

**Washer for Shock Absorber Nut 10mm**  
Genuine Volkswagen product. Spring washer for the shock absorber fixing nut. Sold individually. Fits T2 Splits from 1950 to 1967.  
**J64597** N0121113..... **£0.75**

### STEERING COMPONENTS

**King Pin Bush 1962-1967**  
Sold as singles you will require two King Pin bushes per side  
**J39234** 211-405-317/B..... **£6.75**

**Track Rod (Adjustable)**  
This adjustable track rod is supplied complete with track rod ends and nylock nuts.  
**J14299** 211-415-801/D..... **£37.75**

**Steering Worm Ball Bearing 1955-1967**  
Sold as singles you will require 14 ball bearing per bearing race  
**J40643** 211-415-235..... **£0.60**

**Steering Box Seal 1955-1967**  
The main seal on the side of the box between the output shaft and the drop arm.  
**J40639** N0149071..... **£3.50**

**Steering Box Case Gasket VW T2 Split 1955-1967**  
Steering box gasket. Fits the side plate on VW T2 Split Screen steering boxes from 1955 to 1967.  
**J40644** 211-415-135/A..... **£4.55**

**Steering Stop VW Split 1950-1967**  
Steering stop. Sold individually. Fits VW T2 Split Screens from 1950 to 1967.  
**J41785** 211-405-543..... **£3.15**

### STEERING WHEELS & BOSSES

**Luxury Wood Steering Wheel (Black) 17"**  
Luxury wood steering wheel. Finished in black with chrome slotted pins. Fits T2 Splits from 1950 to 1967.  
**J18567** ..... **£238.00**

**Steering Wheel 16" Polished Aluminium / Woodrim**  
Beautiful aluminium and polished wood rim steering wheels. Fits T2 Split Screens from 1950 to 1967.  
**J40562** ..... **£223.75**

**Steering Wheel 16" Polished Aluminium / Woodrim With Boss VW T2 Split 1950-1967**  
Beautiful aluminium and polished wood rim steering wheel, inspired the original Nardi design for the Porsche 356.  
**J40560** ..... **£324.50**

**17" Plain Slotted Steering Wheel With Boss VW T2 Split**  
Beautiful aluminium and polished wood rim steering wheel. Supplied complete with a matching polished boss with the Wolfsburg Logo  
**J41492** ..... **£356.00**

## Handy Hint

## How long will my battery last if I use an inverter

Here is a handy hint to remember, if you wish to know how quickly a power item will flatten your battery, for example a 12v interior light or if you are going to run household 240v items off your 12v car battery by using one of our power inverters.

Firstly check what Amp battery you have, (written on the side of the battery) then take the wattage of the item and divide it by the volts, the answer is the amps per hour it will use. (12 volt, 16 watt interior light (16 divided by 12) will draw 1.33 amps per hour)

## Current draw guide for 12v to 240v inverters

Laptop computer ..... 75w  
Laptop printer ..... 10w  
Satellite receiver and dish... 40w  
TV set ..... 60w  
Household hairdryer  
draws a lot of power..... 1,000w  
Coffee maker ..... 750w

**Inverter (12v to 240v)**  
Enables you to use 240v appliances when there is no mains

**6v Dynamo 1961-66**  
6v Dynamo - suitable for 61-66 models  
J60711 111903021H.....£284.75

### Handy Hint

#### Starter motor fault finding

Starter motor will not turn and the dash lights dim

Battery flat, possible dead cell

Charge the battery. If you are unsure of the condition, ask your local garage to test it for you.

Starter motor solenoid just "chatters" when key is turned

Bad electrical connections

Check all feed and earth connections. Clean all dirty or corroded connections with a wire brush or coarse sand paper. Replace damaged or corroded wires and connectors.

Starter motor will not turn and dash lights do not dim

Faulty starter/ignition switch

The mechanical switch that the key barrel turns can wear. Remove the plug and loom and see if you can start the vehicle with a screw driver in the plugs slot. If so, the slot has worn round and the unit must be replaced.

Broken electrical connection

With an electrical meter check that the cables have continuity, replace a damaged loom.

Starter motor just spins and makes a grinding sound

The bendix gear is sticking

Remove the starter motor. It may be that the gear just needs cleaning where it runs on the shaft. If any major parts are worn, it is often cheaper to buy a recon starter motor.

## Bundle Deal

**SAVE 10%**

### 55 amp Alternator Conversion Kit

Upgrade & replace your dynamo with a 12 volt 55amp alternator. 1960-67

J11505 **Bundle Deal Price £169.25**

For all Splitscreens from 1955 to 1964  
J21120 111953225B.....£36.50

## Indicators

## Handy Hint

### My indicators flash too fast!

Switch the hazards on...If the relay now clicks at the correct rate, see if all four indicators are working. You will probably find one isn't. Check for a blown bulb. If the bulb is OK, check and clean the electrical connections, especially the earths. If the hazards still flash too fast and there are no blown bulbs or faulty wiring, you will need to replace the relay.

Radar alloy (polished)  
5/205 PCD, 5x15 inch, ET20 offset.

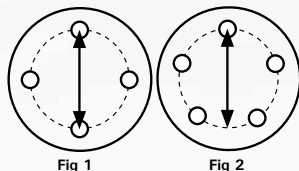

J63964 5205

**Call For Availability**

### Handy Hint

#### Wheel fitting guide

The bolt pattern describes the position and number of bolts on a wheel.

The PCD 'Pitch Circle Diameter' is the distance (in millimetres) between the center of two diametrically opposite bolts. In the 4-bolt wheel (Fig 1), this would be the distance between the top and bottom holes. Some basic geometry is needed to find the center of the 5-bolt pattern (Fig 2):

But the simplest way is to multiply the center distance between any two adjacent holes by 1.701 (for example bolt holes 3 and 4 in Fig 3).

It's possible for 4 and 5 bolt wheels to share the same PCD, so if the wheels in (Fig 1) and (Fig 2) both had a PCD of 130mm the 4 bolt wheel on the left would be described as having a PCD of 4/130 and the wheel on the right would be a 5/130.

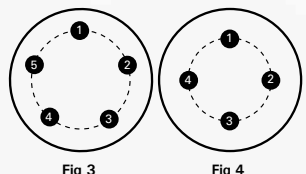

Fig 3

Fig 4

### Handy Hint

#### Jacking up your Volkswagen

If you are using the standard VW jack and jacking points, always check the condition of jacking points and surrounding metalwork.

If you are using a bottle, scissor or trolley jack, they must be placed under the front axle beam or under the rear torsion bar crossmember (ahead of the gearbox).

Always 'chock' the wheels to prevent the vehicle rolling and if you are going to be under the vehicle, ALWAYS USE AXLE STANDS.

Wherever possible, always jack your vehicle on a level solid surface, never on gravel or grass. You may not have a choice in the case of a break down, so carry a flat (strong!) piece of wood or similar to put under the jack if you have to change a wheel on the 'not so hard' shoulder.
