

FRESH AIR GRILL

J12116 - T2 1967-1979

J11738 - T25 1979-1992

JK part numbers: J12116, J11738

FITTING GUIDE

1. First wind down your window nearly all the way down. At an angle slide your grill between the seals on the window frame resting one end on top of the glass within the groove.
2. Then slide up the left hand side between the window rubber until the grill level and wind the window up making sure the glass enters the groove.
3. Carefully wind the window all the way to the top until the grill has entered the top seal and the glass is all the way in the groove on the grill.
