Dear Mark,

Well, what a year it has been so far! The fundraising team and I are so sorry that we won't be joining you at the 'Just Kampers Weekend' this year – we had such fun last year, and it was great to meet so many of your customers, who attend year after year. We can't thank you enough for donating £15,000 from the ticket sales to Phyllis Tuckwell – it means so much to us at this difficult time.

It was lovely to read the comments on Facebook, as everyone was so supportive of your decision, and of Phyllis Tuckwell. The team and I are really looking forward to supporting your team, and helping to make the 2021 'Just Kampers Weekend' even bigger and better!

As I am sure you are aware, our clinical teams at Phyllis Tuckwell have done an incredible job of adapting to the current situation, whilst managing to maintain the compassion and care that we are so well known for. Our patients and families will always remain at the heart of everything we do, but we can only continue to do this through the support of our community, and people like you. Thank you so much!

Please send my best wishes to Caz, Shaun, Steve and the team, and I look forward to the time when we can start on making a great event for June 2021. I'll start by booking the sunshine!

Yours sincerely
